Dear Chief Leffler:

The Governor's Office of Highway Safety (GOHS) has completed the review of the proposals submitted for funding for Federal Fiscal Year (FFY) 2019 commencing on October 1, 2018. All of the proposals were carefully considered by an evaluation team at GOHS that reviewed agency performance, program priority area, problem identification, supporting fiscal/data documentation, consistency of reporting, and available funding levels.

As a result of this evaluation process, we are able to include your agency's submitted proposal(s) listed above in **Arizona's FFY 2019 Highway Safety Plan**. However, please be aware that your agency's awarded highway safety project(s) may not have been funded at the amount requested and may be subject to change. **Equipment** requests placed "on hold" are under further review and may not be funded due to funding constraints, as we strive to make the best use of federal taxpayers' dollars.

All FFY 2019 grants will begin on October 1, 2018. If approval from a Town/City Council or Board of Supervisors is required, your agency should begin the process of scheduling the grant award for approval.

The assigned GOHS project coordinator will be contacting you regarding your project(s) and your agency should have the contract(s) soon. **During the interim, do not make any public announcement concerning the grant and do not incur any costs or proceed with any portion of the project until GOHS has written a contract with your agency and it has been signed and executed by both parties.**

We appreciate the time and effort put forth by your agency in submitting its proposal(s). Should any questions and/or concerns arise, please feel free to contact your grant project coordinator at 602-255-3216.

Sincerely,

Alberto Gutier
Director, Governor's Office of Highway Safety
