To: Honorable Mayor and City Council
 From: Alexander Bosworth, Planner
 Through: Rodolfo Lopez, Development Services Director
 Meeting Date: August 20, 2024

REQUEST

A request by the City of Maricopa to abandon a +/- 0.102-acre portion of right-of-way on West Bowlin Road, which will subsequently be acquired by the adjacent property owner without compensation.

APPLICANT/ADJACENT PROPERTY OWNER

Applicant: City of Maricopa
 Case Planner: Alexander Bosworth

Adjacent Property Owner:
 City of Maricopa
 39700 W. Civic Center Plaza
 Maricopa, AZ 85138

FINDINGS

The roadway, currently known as W. Bowlin Rd., currently runs east-west from N. Porter Rd. to N. Hartman Rd. The subject section of W. Bowlin Rd. is adjacent to parcel APN # 50203012N. It was determined by City staff that this 20-foot wide portion on the southern half of W. Bowlin Rd., approximately 0.102 acres in size, is no longer needed as public right-of-way. The current width of the W. Bowlin Rd. right-of-way is 150 feet, which subsequent to the concurrent abandonments on the north side of the road, will be reduced to 110 feet.

This 110-foot width will match the current plans for W. Bowlin Rd. to the east, which is the ultimate goal of the roadway abandonments in this segment of right-of-way. The excess 40 feet are not needed nor are they a part of future roadway expansion plans, therefore they are to be returned to their adjacent parcels.

Staff supports the abandonment request as it satisfies the following findings:

- The portions of right-of-way that are a part of this request are not identified for any improved planned transportation facility, or any adopted plan, study, or capital improvement plan. The ultimate 110-foot width will match the current plans for W. Bowlin Rd. to the east, which is the goal of the roadway abandonments in this segment of right-of-way. The excess 40 feet are not needed nor are they a part of future roadway expansion plans, therefore they are to be returned to their adjacent parcels.
- The City does not have plans to improve or use the right-of-way in question in the future.
- The existing conditions are not serving any transportation purpose.
