

Roadside Memorial Policy

Purpose:

The City of Maricopa (City) Memorial Marker Policy is intended to honor and respect those that have died as a result of a motor vehicle, pedestrian, or bicycle incident while maintaining clean and safe public rights-of-way. In addition, it assists in facilitating the safe return of the marker to the owners if and when it is removed by the city.

Scope:

This policy covers all roadside memorials erected or placed on the public right-of-way within the City.

Policy:

1. Memorial markers placed within public right of way commemorating loss of human life must comply with the below guidelines.
 - a. Must be placed in a safe location, not within a site visibility triangle as described and depicted on Exhibit A, attached hereto and incorporated herein by reference.
 - b. Must be no more than thirty six (36) inches in height and thirty six (36) inches in width.
 - c. Must be maintained in good repair and not cause a blighting condition or a safety hazard. If considered to be blight or a safety hazard the city retains the right to remove.
 - d. Must not be displayed for more than forty five (45) days from the recognized incident date of the loss of life. After the 45 day period the city reserves the right to remove.
 - e. Must be marked with contact information of the owner if you want the marker to be returned.
2. The marker can be removed by the city, at its sole and absolute discretion, at any time if it is determined there is a safety concern or if construction activity is necessary.
3. If the temporary memorial marker is removed by the city, the marker will be stored for fourteen (14) days in an effort to return the marker to the owner. If the marker is not recovered by the owner within fourteen (14) days, the marker will be disposed of.
