Current and Proposed Zoning

The subject site is currently zoned as General Rural Zone (GR). Per the recently approved PAD, the site is now zoned as RS-5 PAD as a part of the overall Murphy and Farrell PAD (PAD22-08). This is a zoning district consistent with Land Use Map in the City of Maricopa's General Plan, which designates this site as a Master Planned Community with a maximum density of 10 du/ac. The underlying RS-5 district of the PAD is intended for medium density, single-family dwellings with a minimum lot size of 4,000 square feet.

Surrounding Land Uses

This development is proposed on agricultural land. It is surrounded by the existing agricultural land on the south, west and east sides, and the Volkswagen Proving Grounds to the north. The proposed single family residential development of Cortana is being constructed to the west of Murphy Road of the proposed development.

Surrounding Existing Use and Zoning Designations			
	Existing Land Use Classification	Existing Zoning	Existing Use
South	Master Planned Community	PAD	Agricultural Land
North	Master Planned Community	Industrial Zone (CI-2)	Volkswagen Proving Grounds
East	Master Planned Community	PAD	Agricultural Land
West	Master Planned Community	Single Family Residence (CR-1 & CR-3)	Future Cortana Development
Site	Master Planned Community	RS-5 PAD	Agricultural Land

Conclusion

This final plat approval process is the next step in the development process to put this site to a contributing use and will initiate the development of single-family residential development that is in compliance with the City's land use designation for the site. The proposed development provides an opportunity for the City to increase compatible single-family residential development to the area. We look for to working closely with the City to gain all necessary approvals to build a successful project.
