SECTION 00500 - AGREEMENT

THIS AGREEMENT is dated as of the 1st day April in the year 2014 by and between the City of Maricopa organized and existing under and by virtue of the laws of the State of Arizona (hereinafter called OWNER) and Visus Engineering Inc., an Arizona corporation (hereinafter called CONTRACTOR). OWNER and CONTRACTOR, in consideration of the mutual covenants hereinafter set forth, agree as follows:

Article 1 WORK

CONTRACTOR shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

Construction of the Honeycutt Road Widening Project

Article 2 ENGINEER

The OWNER has retained **Atkins North America, Inc.**, who is hereinafter called the ENGINEER and who is to assume all duties and responsibilities of and have the rights and authority assigned to the ENGINEER in the Contract Documents in connection with completion of the Work in accordance with the Contract Documents.

Article 3 CONTRACT TIMES

- 3.1 The Work will be Substantially Completed within One-Hundred and Eighty (180) calendar days after the date when the Contract Times commence to run as provided in paragraph 2.3 of the General Conditions, and Complete and ready for final payment in accordance with paragraph 14.13 of the General Conditions within Two-Hundred and Ten (210) calendar days after the date when the Contract Time commences to run.
- 3.2 Liquidated Damages. OWNER and CONTRACTOR recognize that time is of the essence of this Agreement and that OWNER will suffer financial loss if the Work is not completed within the times specified in paragraph 3.1 above, plus any extensions thereof allowed in accordance with Article 12 of the General Conditions. They also recognize the delays, expense and difficulties involved in proving the actual loss suffered by OWNER if the Work is not completed on time. Accordingly, instead of requiring any such proof, OWNER and CONTRACTOR agree that as liquidated damages for delay (but not as a penalty) CONTRACTOR shall pay OWNER per MAG Specification Section 108.9 (Table 108.9, "Failure to Complete On Time") for each day that expires after the time specified in paragraph 3.1 for Substantial Completion until the Work is substantially complete. After Substantial Completion, if CONTRACTOR shall neglect, refuse or fail to complete the remaining Work within the time specified in paragraph 3.1 for completion and readiness for final payment or any proper extension thereof granted by OWNER, CONTRACTOR shall pay OWNER per MAG Specification Section 108.9 (Table 108.9, "Failure to Complete On Time"), stated below, for each day that expires after the time specified in paragraph 3.1 for completion and readiness for final payment.

Article 5 PAYMENT PROCEDURES

5.1 CONTRACTOR shall submit to OWNER and ENGINEER for review Applications for Payment covering Work performed during the preceding calendar month. OWNER and CONTRACTOR mutually agree that OWNER will make a progress payment based on a duly certified (by ENGINEER) and approved (by a duly authorized representative of OWNER) estimate of the Work covered by the corresponding Application for Payment, subject to those conditions stipulated below, in the General Conditions and in other parts of the Contract Documents.

5.1.1 Until the aggregate value of the duly certified and approved Applications for Payment equals fifty percent (50%) of the Contract Price (i.e. 50% completion), OWNER will make payments in an amount equal to 90% of Work completed (i.e. OWNER will retain 10% of each estimate as additional guarantee for complete performance of the Work), less the aggregate of payments previously made and less such deductions as ENGINEER or OWNER determines are appropriate to cover claims requiring a greater sum to be retained (as provided in paragraph 5.3 and elsewhere in the Contract Documents);

- 5.1.2 Upon fifty percent (50%) completion, one-half of the amounts retained under the 10% retainage provision set forth in Section 5.1.1 above shall be paid to CONTRACTOR, provided CONTRACTOR is making satisfactory progress on the Work and there is no specific cause or claim requiring a greater amount to be retained. After fifty percent (50%) completion, OWNER will retain five percent (5%) of each estimate providing CONTRACTOR is making satisfactory progress, coupled with such deductions as OWNER determines are appropriate to cover claims requiring a greater sum to be retained. If at any time OWNER, with the advice of ENGINEER, determines satisfactory progress is not being made, ten percent (10%) retainage shall be reinstated for all subsequent payments, in accordance with A.R.S. § 34-221.
- 5.1.3 Except as qualified in paragraph 5.1.2, upon final completion and acceptance of the Work, or designated part of the Work on which separate final completion and acceptance and Contract Price are specified and upon compliance with all other terms and conditions of the Contract Documents, payment may be made in full, including retainage withheld, less such deductions as ENGINEER may recommend or OWNER may withhold to cover claims requiring a greater sum to be retained and liquidated damages.
- 5.2 In lieu of retention, OWNER will, at the option of CONTRACTOR, accept security, as provided in A.R.S. § 34-221.
- 5.3 OWNER may deduct from each progress payment and final payment an amount equal to OWNER's estimate of the liquidated damages then due or that would become due based on OWNER's estimate of late completion of the Work, provided CONTRACTOR fails to submit and implement a written schedule recovery plan describing the cause of schedule slippage or delayed progress and the actions proposed and taken to recover schedule.

Article 6 INTEREST

All moneys not paid when due as provided in Article 14 of the General Conditions shall bear interest in accordance with A.R.S. §34-221(J).

Article 7 CONTRACTOR'S REPRESENTATIONS

In order to induce OWNER to enter into this Agreement, CONTRACTOR makes the following representations:

CONTRACTOR accepts the determination set forth in paragraph 4.2.1.3 of the Supplementary Conditions of the extent of the "technical data" contained in such reports and drawings upon which CONTRACTOR is entitled to rely as provided in paragraph 4.2 of the General Conditions. CONTRACTOR acknowledges that such reports and drawings are not Contract Documents and may not be complete for CONTRACTOR's purposes. CONTRACTOR acknowledges that OWNER and ENGINEER do not assume responsibility for the accuracy or completeness of information and data shown or indicated in the Contract Documents with respect to Underground Facilities at or contiguous to the site. CONTRACTOR has obtained and carefully studied (or assumes responsibility for having done so) all such additional supplementary examinations, investigations, explorations, tests, studies and data concerning conditions (surface, subsurface and Underground Facilities) at or contiguous to the site or otherwise which may affect cost, progress, performance or furnishing all the Work or which relate to any aspect of the means, methods, techniques, sequences and procedures of construction to be employed by CONTRACTOR and safety precautions and programs incident thereto. CONTRACTOR does not consider that any additional examinations, investigations, explorations, tests, studies or data are necessary for the performance and furnishing of the Work at the Contract Price, within the Contract Times and in accordance with the other terms and conditions of the Contract Documents.
- 7.5 CONTRACTOR is aware of the general nature of work to be performed by OWNER and others at the site that relates to the Work as indicated in the Contract Documents.
