RE: TXT22-04: Zoning Code Text Amendments

The purpose of the proposed text amendments is the following:

1. Establish the Planning & Zoning Commission as the Transit Advisory Committee.
2. Establish the parameters of a Hearing Officer in lieu of the Board of Adjustments.
3. Clarifies the roles and responsibilities of the Planning & Zoning Commission with respect to the Development Review Permit process.

Rick Horst, City Manager, previously presented portions of this initiative at the January 23rd Planning Commission Meeting. In addition, Staff is proposing to make additional changes to the City Code with respect to the Board of Adjustments. With this memo, you will find the proposed amendments for the specific chapters. Below is a general summary of the proposed changes to the code.

- **Maricopa City Code, Chapter 2.15, Rules of Order and Procedure**
 - Amends Chapter 2.15.030.1b, changing the name of the Transportation Advisory Committee to the Transit Advisory Committee.
 - Amends Section 2.15.030.2d, removing the Board of Adjustments from the Standing Committee section.
- **Maricopa City Code, Section 18.135, Commissions, Committees, Boards & Officers**
 - Amends Section 18.135.020.A.2 adding the Planning and Zoning Commission to the “Initiation Powers” which allows the Planning Commission to initiate legislation and hold public meetings/hearings on General Plan Amendments, Zoning Code Map or Text Amendments, and Area Specific Plans.
 - Revises the Appeals Powers section of the Code.
 - Adds Preliminary Plats to the Decision-Making Responsibilities of the Commission.
 - Removes Preliminary Plats from the Advisory Responsibilities of the Commission.
