- a. **(TRIBAL) Limited Waiver of Sovereign Immunity:** For purposes of this Agreement, and subject to the terms of this section, the Nation, consents and agrees to a limited waiver of its sovereign immunity from suit and consents to be sued on an arbitration award. The Nation represents that this limited waiver of sovereign immunity has been duly approved by the Nation's Tribal Council, as required by the Nation's Constitution. The Nation is not waiving its right to assert the defense of sovereign immunity except as expressly set forth, referred to, and provided for, in this Agreement. This limited waiver is enforceable solely by the State as limited hereunder and does not create any additional third party beneficiary rights to suits or private causes of action in favor of third Parties. The Parties agree that this section provides a limited waiver of sovereign immunity solely for the purpose of enforcing the provisions of this Agreement and enforcing any arbitration award hereunder and for no other purpose.
- b. **(TRIBAL) Dispute Resolution:** In the event of a dispute, claim or controversy ("Dispute") arising out of or related to this Agreement, the Parties agree that it is in their mutual best interest to meet as promptly as possible for the purpose of informally resolving said Dispute. In the event the Parties cannot resolve their Dispute informally after attempting to work in good faith, the Parties hereto agree to abide by arbitration as set forth below and that arbitration shall be a requisite before any Party may seek relief of any kind in State or Tribal court.
- c. **(TRIBAL) Arbitration:** If a party in good faith concludes that a Dispute arising out of or related to this Agreement is not likely to be resolved by informal dispute resolution then, upon notice by that Party to the other, said Dispute shall be finally and exclusively settled by submission of such Dispute to the American Arbitration Association ("AAA") under its then prevailing procedural rules contained in the AAA's Commercial Arbitration Rules to the extent that such rules shall not be interpreted to diminish, limit, or void the limited waiver of sovereign immunity set forth in Section 1 above or to increase the enforcement rights of the Parties. Within ten (10) days after the commencement of arbitration, each party shall select one person to act as arbitrator and the two selected shall select a third arbitrator within ten (10) days of their appointment. The third arbitrator shall be a practicing attorney, actively engaged in the practice of law for at least ten (10) years and a member in good standing of the bar of the State of Arizona. Alternatively, the third arbitrator may be a retired judge of the federal court or the trial court of the state of Arizona. At least one of the arbitrators shall be knowledgeable with federal Indian law and one arbitrator shall have AAA-acknowledged expertise in the appropriate subject matter. All arbitration proceedings shall be held in Maricopa County or at such other place as shall be agreed by the Parties.
- d. **(TRIBAL) Award:** The award shall be made within thirty (30) days of the filing of the notice of intent to arbitrate, and the arbitrators shall agree to comply with the schedule before accepting appointment. However, this time limit may be extended by agreement of the Parties or by the majority of the arbitrators, if necessary. Any award rendered in any such arbitration proceeding shall be final and binding upon all Parties to the proceeding. Review of an arbitration award must be made within 90 days after delivery of the award by the arbitrator(s).
- e. **(TRIBAL) Governing Law:** This Agreement, including any claim or dispute arising hereunder submitted to binding arbitration shall be governed by the laws of the State of Arizona.
- f. **(TRIBAL) Enforcement:** Judgment upon any award rendered by the arbitrators against either Party may be entered in the Nation's tribal court system ("Tribal Court") or the Arizona State Court System ("State Court") and interpreted and/or enforced pursuant to the terms of this Agreement, and/or pursuant to the terms of the AAA's Commercial Arbitration Rules, and/or pursuant to the terms and provisions of the statutes, rules and regulations governing or providing for interpretation or enforcement of judgments applicable in any State of Arizona court.

This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be

indemnified by the Grantee from and against any and all claims. It is agreed that the Grantee will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. In consideration of the award of this contract, the Grantee agrees to waive all rights of subrogation against the State of Arizona, its officers, officials, agents and employees for losses arising from the work performed by the Contractor for the State of Arizona. *This indemnity shall not apply if the Recipient or sub-contractor(s) is/are an agency, board, commission or university of the State of Arizona.*

- 15) **Minimum Required Insurance Coverage:** Grant recipients are responsible for acquiring and maintaining current, appropriate insurance on their vehicles while under ADOT lien, listing ADOT as loss-payee and additional insured, as well as other large capital assets.

~~Program participants must maintain adequate property and liability insurance coverage. The current minimum requirement for automobile liability insurance is based on vehicle size, and is as follows:~~

The State of Arizona in no way warrants that the minimum limits contained herein are sufficient to protect the Grantee from liabilities that might arise out of the performance of the work under this contract by the Recipient, its agents, representatives, employees or subcontractors, and the Grantee is free to purchase additional insurance. It is critical that the vehicle Grantee-operator ensure that it retains on file up-to-date insurance, that this information is readily available for review by ADOT and its auditors, and that a current insurance card is located in the vehicle at all times.

~~The Certificate of Insurance and card must be submitted to ADOT prior to receipt of the vehicle(s). In addition, a current copy of the Certificate must be included with the Annual Report/Notice of Impending Vehicle Inspection, and submitted or returned to ADOT.~~

EXCEPTIONS: In the event the Grantee or sub-contractor(s) is/are a public entity, then the Insurance Requirements shall not apply. Such public entity shall provide a Certificate of Self-insurance. If the Recipient or sub-contractor(s) is/are a State of Arizona agency, board, commission, or university, none of the above shall apply.

- To create a level playing field on which DBEs can compete fairly for USDOT assisted contracts;
- To ensure that the DBE program is narrowly tailored in accordance with applicable law;
- To ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are counted as DBEs;
- To help remove barriers to the participation of DBEs in USDOT-assisted contracts; and
- To assist in the development of firms that can compete successfully in the market place outside the DBE program.

The ADOT Civil Rights Administrator, has been designated as the DBE Liaison Officer. In that capacity, she is responsible for implementing all aspects of the DBE program. Implementation of the DBE program is accorded the same priority as compliance with all other legal obligations incurred by ADOT in its financial assistance agreements with the U.S. Department of Transportation.

Each LPA, sub-recipient, and grantee must complete and have its executive officer sign a Sub-Recipient DBE Program Compliance Statement. In accordance with the compliance statement, all LPAs, sub-recipients, and grantees agree to the following:

- Use solicitation language provided by ADOT defining DBE requirements for all construction, professional services, and procurement contracts;
- Submit DBE goal requests via <https://adot.dbesystem.com/frontend/welcome.asp> using the ADOT DBE Goal Request Form(s);
- Conduct post-award monitoring and reporting using the online DBE data collection and reporting system found at <https://arizonalpa.dbesystem.com>;
- Ensure commercially useful function compliance post-award;
- Designate a single point of contact for DBE compliance purposes;

Additionally, all LPAs, sub-recipients, and grantees agree to collect the following information for each solicitation for which a DBE contract goal has been established:

- The names and contact information of DBE firms that will participate in the contract;
- A description of the work that each DBE will perform;
- The dollar amount of the participation of each DBE firm participating;
- Written and signed documentation of commitment to use a DBE subcontractor whose participation it submits to meet a contract goal;
- Written and signed confirmation from the DBE that it is participating in the contract as provided in the prime contractors commitment and
- If the contract goal is not met, evidence of good faith efforts.

LPAs, sub-recipients, and grantees will require prime contractors, consultants, and vendors to maintain records and documents of payments to DBE and non-DBE subcontractors for three years following the performance of a federal aid transportation contract. These records will be made available for inspection upon request by any authorized representative of the ADOT Civil Rights Office. Subcontractors are required to maintain payment information for any lower tier subcontractors for the same three-year duration.

LPAs, sub-recipients, and grantees are required to collect data on DBE and non-DBE participation to report to ADOT on Federal-aid projects. Contractors and consultants are to be notified that such record keeping is required for tracking DBE participation. Contractors, consultants, and vendors performing on federal aid transportation projects are required to provide monthly reports documenting amounts earned by and paid to all DBEs and non-DBEs. All DBE and non-DBE subcontractors working on federal aid transportation projects are required to verify receipt of payment. Further, first tier subcontractors are required to report amounts earned by and paid to all lower-tier DBE and non-DBE subcontractors. Lower-tier subcontractors are required to verify receipt of payment.

Contractors, consultants, and vendors shall provide the required information for the current month by the 5th of the following month. The required information shall be submitted electronically through the Local Public Agency DBE data collection and reporting system. This system is located online at <https://arizonalpa.dbesystem.com>.

LPAs, sub-recipients, and grantees will submit project data in support of each semi-annual and annual submission made by the state. Sub-recipients are required to use the ADOT Local Public Agencies DBE Reporting System. This system may be accessed via www.arizonalpa.dbesystem.com. Semi-annual report data must be audited by LPAs, sub-recipients, and grantees for accuracy and completeness by May First and November First of each year. Semi-annual reports will be run by ADOT and reviewed with LPAs, sub-recipients, and grantees on an as-needed basis.

The ADOT DBE Program Plan and LPA/Sub-Recipient DBE Guidelines can be found online at www.azdot.gov.

- 19) **Immigration:** To the extent applicable under Arizona Revised Statutes Section 41-4401, each Party and its subcontractors warrants their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with the E-verify requirements under Arizona Revised Statutes Section 23-214(A). A breach of the above-mentioned warranty by any Party or its subcontractors shall be deemed a material breach of the Agreement and may result in

the termination of the Agreement by the non-breaching Parties. Each Party retains the legal right to randomly inspect the papers and records of the other Parties or its subcontractor employees who work on the Agreement to ensure that the Parties or its subcontractors are complying with the above-mentioned warranty.

- 20) **Scrutinized Business Operations:** Pursuant to Arizona Revised Statutes Sections 35-391 and 35-393, each Party certifies that it does not have a scrutinized business operation in Sudan or Iran. For the purpose of this Section the term "scrutinized business operations" shall have the meanings set forth in Arizona Revised Statutes Section 35-391 or 35-393, as applicable. If any Party determines that another Party submitted a false certification, that Party may impose remedies as provided by law including terminating this Agreement.
- 21) **Debarment and Suspension.** The RECIPIENT agrees to comply, and assures the compliance of each third-party contractor and sub-recipient at any tier, with Executive Orders Nos. 12549 and 12689, "Debarment and Suspension," 31 U.S.C. § 6101 note, and U.S. DOT regulations, "Government-wide Debarment and Suspension Non-procurement)," 49 C.F.R. Part 29. The RECIPIENT agrees to and assures that its third party contractors and sub-recipients will review the Excluded Parties Listing System at <http://epls.arnet.gov/> before entering into any contracts.
- 22) **Termination for Convenience:** Either Party has the right to terminate the Agreement, in whole or in part at any time, when in the best interests of the FTA, RECIPIENT, or STATE without penalty or recourse.
- 23) **Transparency Act:** Because ADOT receives federal funds, ADOT is required to comply with the Federal Funding Accountability and Transparency Act of 2006 and associated 2008 Amendments. The reporting requirements and levels of reporting due to FTA are currently under development. Accordingly, ADOT is not currently aware of reporting requirements that might become required from RECIPIENTS. Should requirements be stipulated wherein information is required from RECIPIENTS, such information will be requested. The RECIPIENT herein agrees that in a timely manner, and in the method specified by the STATE, the RECIPIENT will provide information that is requested by the STATE to enable the STATE's compliance with the requirements as may be applicable.
- 24) **Termination for Default:** STATE reserves the right to terminate this Agreement in whole or in part due to failure of RECIPIENT to carry out any term, promise, or condition of the Agreement. STATE will issue a written ten (10) day cure notice to RECIPIENT for failure to adequately perform, or if there is reason for STATE to believe that the RECIPIENT cannot or will not adequately perform the requirements of the Agreement. If RECIPIENT does not submit a Corrective Action Plan to the satisfaction of STATE within the ten (10) day period, then STATE may pursue action in accordance with Section III: Arbitration.
- 25) **Federal Fiscal Year 2011 Certifications and Assurances for FTA Assistance Programs:** Pursuant to 49 U.S.C. 5323(n), the FTA consolidated the certifications and assurances required by Federal law or regulations for its programs with an effective date of October 1, 2010. The applicant for any project financed under the authority of 49 U.S.C. Chapter 53, Title 23, United States Code or any other Federal statute was required to submit new Federal FY 2011 Certifications and Assurances to FTA for any funding received through FTA during Federal FY 2011. The Arizona Department of Transportation (ADOT) is considered the Applicant for allocated and obligated federal monies used in various projects including but not limited to the 5310, 5311, 5316, 5317 grant programs, research projects, study projects, planning projects, regardless of whether the funds are expended by ADOT, reimbursed to grant applicants / recipients / sub-recipients / contractors, or passed through to grant applicants / recipients / sub-recipients / contractors and is required to submit annual Certifications and Assurances to FTA. Attorney affirmation of authority to certify and assure is also required.

Annual Certifications and Assurances to FTA generally remain in effect for either the duration of the Grant or Cooperative Agreement supporting the Project until the Project is closed out or for the duration of the Project or Project property when a useful life or industry standard is in effect, whichever occurs later. If, however, the Applicant provides Certifications and Assurances to FTA in a later year that differ from the Certifications and Assurances previously provided, the later Certifications and Assurances will apply to the Grant, Cooperative Agreement, Project, or Project property unless an exception is granted by FTA in writing. The effect of this is that ADOT must sign new certifications and assurances annually since changes typically occur annually.

As the applicant, ADOT is responsible for compliance with the provisions of the FTA Certifications and Assurances by each recipient or sub-recipient. Accordingly, each sub-recipient that will be implementing projects is required to affirm compliance by submitting an annual Certification and Assurances to ADOT.

The FTA Certification and Assurances required of ADOT and its recipients / sub-recipients are found in Exhibit B. Throughout the document, the term "Applicant" referred to ADOT in the original certification to the FTA and now refers to ADOT's recipients / sub-recipients in this certification. Completion and Signing of this FTA Certification and Assurances

document is a requirement and a condition to receive federal funding through ADOT and does not relieve the sub-recipient of any obligation of other certifications or assurances required in any application or contracting process, and should be treated as an addition to such certifications and assurances. Specific FTA Certification and Assurances may not be immediately applicable to funding or programs for the RECIPIENT. All are required in the event that, through the life of this Agreement, they may become applicable.

- 26) **Entire Agreement.** This Agreement may be amended, modified, or waived only by an instrument in writing signed by both Parties. Should the PROJECT awarded under this Agreement be completed at a lower cost than the amount awarded, or for any other reason should any of these funds not be expended, or expended in other than in strict accordance with the terms and conditions of this Agreement, a proportionate amount of the funds provided shall be reimbursed to the STATE. Except as identified in the PROJECT the RECIPIENT shall not assign any portion of the PROJECT or execute any agreement, contract, amendment, or change order thereto, or obligate itself in any manner with any third party with respect to its rights and responsibilities under this Agreement without the prior written concurrence of the STATE.
- 27) **Communication:** All notices or demands upon any party relating to this Agreement shall be in writing delivered in person or sent by mail addressed as follows:

VII. SECURITY AGREEMENT

- 1) In consideration of the STATE / FTA funding for the purchase of any PROJECT equipment identified in Exhibit A including any equipment added, the RECIPIENT hereby grants ADOT a security interest in the PROJECT equipment in the amount of indicated in Exhibit A as the "Federal Portion" payable to the Department upon its demand, if and only if:
 - a. The RECIPIENT by itself or any agent sells, transfers, offers or attempts to sell or transfer, in whole or in part, the PROJECT equipment, or,
 - b. The PROJECT equipment is totally destroyed or is lost, stolen or otherwise disappears, or,
 - c. This Agreement by and between the STATE and the RECIPIENT is terminated.
- 2) In the event of the occurrences described in Paragraphs 1 or 3 above, the RECIPIENT shall be liable for no more than the fair market value of the PROJECT equipment on the date of the occurrence of such event.
- 3) In the event the PROJECT is totally destroyed, lost, stolen, or disappears, the obligation herein may be extinguished by assigning to ADOT the proceeds of insurance covering such an event, provided the assignment and the ultimate payment is equal to the fair market value of the PROJECT equipment on the date of occurrence of such event.
- 4) Upon the occurrence of any other event described herein which would allow the STATE to demand payment under this agreement, the obligation assured herein may be extinguished by assigning the herein PROJECT equipment to ADOT in as good a condition as when received, normal wear and tear excepted, thereby no longer having any further obligation to reimburse the STATE should the STATE exercise its right to terminate the agreement under the terms of the agreement under paragraph (2) of Section III. ADOT may refuse to accept such assignment, if in its sole judgment the PROJECT equipment has been abused or is in such condition as to substantially impair its value.
- 5) During the useful, economical life of the PROJECT equipment, as defined in the applicable Program Handbook and Application for the grant year, the equipment may be returned to ADOT subject to its acceptance, and the obligation herein will be extinguished.
- 6) In the event of a vehicle transfer back to ADOT during useful life, the Secondary Manufacturer and Aftermarket Vehicle Components, in addition to the original equipment manufacturer (OEM) components (as supplied by the manufacturer or vendor to the STATE or ADOT) or their equivalent—must remain with the vehicle as delivered by ADOT to the RECIPIENT and are considered to be included in the lien.
- 7) **Secondary Manufacturer and Aftermarket Vehicle Components As Part of the Lien for Lift-Equipped Vehicles:** In addition to the Original Equipment Manufacturer (OEM—i.e., Ford, Dodge, Chevrolet, etc.) chassis, the Secondary Manufacturer adds to this chassis the following equipment, non-inclusive, which are considered part of the vehicle and therefore remain on lien with the vehicle, along with OEM components (Note: as a part of the vehicle modifications, the Secondary Manufacturer may also remove some OEM parts, replacing with after-market items):
 - a. Fast idle system, after-market alternator (200A) replacing OEM unit, related wiring, accessory drive belts and pulleys (varies by vehicle type, alternator and A/C compressor configuration), inside vehicle-located electrical fuse, fuse block and breaker box with key(s),
 - b. Under-hood or elsewhere on chassis, dual deep cycle marine batteries, in some vehicles combined with an isolator system,
 - c. Adjacent to, behind and above the front windshield area, a separate or modified body which is manufactured and installed in the driver and passenger compartment area to accommodate the driver, his/her vehicle and accessory system controls, and passenger, mobility-device and safety equipment. This body construction or modification typically includes related after-market windows, passenger service entry door(s), emergency rear door(s), and emergency exit/access door (i.e.,

hatch, roof mounted). The degree to which OEM equipment and body parts (including doors, windows, etc.) are removed permanently by the secondary manufacturer for the latter's vehicle modification purposes varies by whether the vehicle is a dual-rear wheel cutaway or single rear wheel raised roof lift van,

- d. Passenger (and on some vehicles, driver's) seats and, where required, seat belts,
- e. Passenger ingress, egress and other assist stanchions and handrails, modesty panels,
- f. Wheelchair lift door, lift mechanism and related control apparatus at the lift and driver area, related transmission/brake interlock equipment preventing unwanted motion of the vehicle when door is ajar and/or lift is otherwise in operation,
- g. Wheelchair position components, related restraint and securement belts and belt storage,
- h. Added springs or other weight compensating devices to suspension,
- i. Additional equipment related to dual battery installation (in some units),
- j. Basic first aid kit and other emergency/safety items, typically including flares, reflector triangles and fire extinguisher, wide-view internal rearview mirror, and outside rearview "RV-style" mirrors, internal and external lighting for lift, access doors and interior of vehicle, reverse alarm (some vehicles),
- k. Rear heater and related lines and under-body flow controls,
- l. Air conditioning equipment for rear passenger area including added condenser(s) (street-side "skirt" mounted), rear compartment evaporator, related refrigerant lines, air outlets and controls, on some units added (second) compressor and related belts and pulleys.
- m. If the recipient-agency returning the vehicle to ADOT is uncertain regarding any particular component, it may contact ADOT or the issuing vendor regarding that component(s). The RECIPIENT should otherwise assume that any component supplied on or with the vehicle at the time of delivery to the RECIPIENT should be returned to ADOT in its originally-removed state.
- n. Other equipment purchased by ADOT (on behalf of the recipient-agency) is to remain with vehicle or otherwise be returned to ADOT.
- o. After-market communication radios or other communication equipment supplied by ADOT, if ADOT agrees that the RECIPIENT should have further legitimate use of the equipment should be returned to ADOT.
- p. This list includes only "major" items added by the after-market supplier and shall not be considered all-inclusive. The vendor and ADOT retain on file complete parts listings that will be reviewed by ADOT upon return of the vehicle to ADOT and/or prior to transfer of the vehicle to another recipient agency.

- 8) This security agreement and its terms shall not inure to the benefit of any assignee, purchaser for value, or any other person acquiring an interest herein, and this security interest herein created shall not be extinguished until and unless the STATE receives the fair market value of the PROJECT equipment on the date of assignment, purchase, or acquisition of other interest.

A. Assurance of Authority of the Applicant and Its Representative

The authorized representative of the Applicant and the attorney who sign these certifications, assurances, and agreements affirm that both the Applicant and its authorized representative have adequate authority under applicable State, local, or Indian Tribal law and regulations, and the Applicant's by-laws or internal rules to:

The Applicant recognizes that Federal laws and regulations may be modified from time to time and those modifications may affect project implementation. The Applicant understands that Presidential executive orders and Federal directives, including Federal policies and program guidance may be issued concerning matters affecting the Applicant or its project. The Applicant agrees that the most recent Federal laws, regulations, and directives will apply to the project, unless FTA issues a written determination otherwise.

Specifically, during the period in which Federal assistance is extended to the project, or project property is used for a purpose for which the Federal assistance is extended or for another purpose involving the provision of similar services or benefits, or as long as the Applicant retains ownership or possession of the project property, whichever is longer, the Applicant assures that:

- (5) The United States has a right to seek judicial enforcement with regard to any matter arising under Title VI of the Civil Rights Act, U.S. DOT implementing regulations, and this assurance; and
- (6) It will make any changes in its Title VI implementing procedures as U.S. DOT or FTA may request to achieve compliance with the requirements imposed by or issued pursuant to 49 U.S.C. 5332, 42 U.S.C. 2000d, and 49 CFR part 21.

As required by 49 U.S.C. 5323(d) and (g) and FTA regulations at 49 CFR 604.4, the Applicant understands and agrees that it and each subrecipient, lessee, third party contractor, or other participant in the project at any tier may provide charter service for transportation projects that uses equipment or facilities acquired with Federal assistance authorized under the Federal transit laws (except as permitted by 49 CFR 604.2), or under 23 U.S.C. 133 or 142, only in compliance with those laws and FTA regulations, "Charter Service," 49 CFR part 604, the terms and conditions of which are incorporated herein by reference.

B. The Applicant understands and agrees that:

(1) The requirements of FTA regulations, "Charter Service," 49 CFR part 604, will apply to any charter service it or its subrecipients, lessees, third party contractors, or other participants in the project provide;

(2) The definitions of FTA regulations, "Charter Service," 49 CFR part 604, will apply to this Charter Service Agreement; and

(3) A pattern of violations of this Charter Service Agreement may require corrective measures and imposition of remedies, including barring the Applicant, subrecipient, lessee, third party contractor, or other participant in the project that has engaged in that pattern of violations from receiving FTA financial assistance, or withholding an amount of Federal assistance as set forth in FTA regulations, "Charter Service," 49 CFR part 604, Appendix D.

10. SCHOOL TRANSPORTATION AGREEMENT

An Applicant that is seeking Federal assistance authorized under 49 U.S.C. Chapter 53 or under 23 U.S.C. 133 or 142 to acquire or operate public transportation facilities and equipment is required to enter into the following School Transportation Agreement. FTA may not provide Federal assistance authorized under 49 U.S.C. chapter 53 or under 23 U.S.C. 133 or 142 for such projects until the Applicant enters into this School Transportation Agreement by selecting Category "10."

A. As required by 49 U.S.C. 5323(f) and (g) and FTA regulations at 49 CFR 605.14, the Applicant understands and agrees that it and each subrecipient, lessee, third party contractor, or other participant in the project at any tier may engage in school transportation operations in competition with private school transportation operators that uses equipment or facilities acquired with Federal assistance authorized under the Federal transit laws or under 23 U.S.C. 133 or 142, only in compliance with those laws and FTA regulations, "School Bus Operations," 49 CFR part 605, to the extent consistent with 49 U.S.C. 5323(f) or (g), the terms and conditions of which are incorporated herein by reference.

11. DEMAND RESPONSIVE SERVICE

An Applicant that operates demand responsive service and applies for direct Federal assistance authorized under 49 U.S.C. Chapter 53 to acquire non-rail public transportation vehicles is required to provide the following certification. FTA may not award direct Federal assistance authorized under 49 U.S.C. chapter 53 to an Applicant that operates demand responsive service to acquire non-rail public transportation vehicles until the Applicant provides this certification by selecting Category "11."

As required by U.S. DOT regulations, "Transportation Services for Individuals with Disabilities (ADA)," at 49 CFR 37.77(d), the Applicant certifies that its demand responsive service offered to individuals with disabilities, including individuals who use wheelchairs, is equivalent to the level and quality of service offered to individuals without disabilities. Viewed in its entirety, the Applicant's service for individuals with disabilities is provided in the most integrated setting feasible and is equivalent with respect to: (1) response time, (2) fares, (3) geographic service area, (4) hours and days of service, (5) restrictions on trip purpose, (6) availability of information and reservation capability, and (7) constraints on capacity or service availability.

An Applicant that intends to request the use of Federal assistance for reimbursement of interest or other financing costs incurred for its capital projects financed with Federal assistance under the Urbanized Area Formula Program, the Capital Investment Program, or the Paul S. Sarbanes Transit in Parks Program is required to provide the following certification. FTA may not provide Federal assistance to support interest or other financing costs until the Applicant provides this certification by selecting Category "13."

As required by 49 U.S.C. 5307(g)(3), 5309(g)(2)(B)(iii), 5309(g)(3)(B)(iii), 5309(i)(2)(C), and 5320(h)(2)(C), the Applicant certifies that it will not seek reimbursement for interest or other financing costs unless it is eligible to receive Federal assistance for those costs and its records demonstrate that it has used reasonable diligence in seeking the most favorable financing terms underlying those costs, to the extent FTA may require.

14. INTELLIGENT TRANSPORTATION SYSTEMS

An Applicant for FTA assistance for an Intelligent Transportation Systems (ITS) project, defined as any project that in whole or in part finances the acquisition of technologies or systems of technologies that provide or significantly contribute to the provision of one or more ITS user services as defined in the "National ITS Architecture," is requested to provide the following assurance. FTA strongly encourages any Applicant for FTA financial assistance to support an ITS project to provide this assurance by selecting Category "14." An Applicant for FTA assistance for an ITS project that fails to provide this assurance, without providing other documentation assuring its commitment to comply with applicable Federal ITS standards and protocols, may be determined ineligible for award of Federal assistance for the ITS project.

As used in this assurance, the term Intelligent Transportation Systems (ITS) project is defined to include any project that in whole or in part finances the acquisition of technologies or systems of technologies that provide or significantly contribute to the provision of one or more ITS user services as defined in the "National ITS Architecture."

A. As provided in subsection 5307(c) of SAFETEA-LU, 23 U.S.C. 512 note, apart from certain exceptions, "intelligent transportation system projects carried out using funds made available from the Highway Trust Fund, including funds made available under this subtitle to deploy intelligent transportation system technologies, [shall] conform to the national architecture, applicable standards or provisional standards, and protocols developed under subsection (a) [of section 5307 of SAFETEA-LU]." B. With respect to any ITS project financed with Federal assistance derived from a source other than Title 49 or Title 23, United States Code, the Applicant assures that it will use its best efforts to assure that any ITS project it undertakes will not preclude interface with other intelligent transportation systems in the Region.

15. URBANIZED AREA FORMULA PROGRAM

Each Applicant for Urbanized Area Formula Program assistance authorized under 49 U.S.C. 5307 is required to provide the following certifications on behalf of itself and any subrecipients participating in its projects. Unless FTA determines otherwise in writing, the Applicant is ultimately responsible for compliance with its certifications and assurances even though a subrecipient, lessee, third party contractor, or other participant may participate in that project. Consequently, in providing certifications and assurances that involve the compliance of its prospective subrecipients, the Applicant is strongly encouraged to take appropriate measures, including but not limited to obtaining sufficient documentation from each subrecipient, to assure the validity of all certifications and assurances the Applicant has made to FTA. If, however a "Designated Recipient" as defined at 49 U.S.C. 5307(a)(2)(A) enters into a Supplemental Agreement with FTA and a Prospective Grantee, that Grantee is recognized as the Applicant for Urbanized Area Formula Program assistance and must provide the following certifications and assurances. Each Applicant is required by 49 U.S.C. 5307(d)(1)(J) to expend at least one (1) percent of its Urbanized Area Formula Program assistance for public transportation security projects, unless the Applicant has certified that such expenditures are not necessary. Information about the Applicant's intentions will be recorded in the "Security" tab page of the TEAM-Web "Project Information" window when the Applicant enters its Urbanized Area Formula Program application in TEAM-Web. FTA may not award Urbanized Area Formula Program assistance to any Applicant that is required by 49 U.S.C. 5307(d)(1)(K) to expend one (1) percent of its

Urbanized Area Formula Program assistance for eligible transit enhancements unless that Applicant's quarterly report for the fourth quarter of the preceding Federal fiscal year has been submitted to FTA and includes the requisite list or the Applicant attaches in TEAM-Web or includes in its quarterly report information sufficient to demonstrate that the Designated Recipients in its area together have expended one (1) percent of the amount of Urbanized Area Program assistance made available to them for transit enhancement projects. E. In compliance with 49 U.S.C. 5307(d)(1)(E), the Applicant, in carrying out a procurement financed with Federal assistance authorized under 49 U.S.C. 5307:

16. CLEAN FUELS GRANT PROGRAM

Each Applicant for Clean Fuels Grant Program assistance authorized under 49 U.S.C. 5308 is required to provide the following certifications on behalf of itself and its subrecipients. Unless FTA determines otherwise in writing, the Applicant is ultimately responsible for compliance with its certifications and assurances even though a subrecipient, lessee, third party contractor, or other participant may participate in that project. Consequently, in providing certifications and assurances that involve

the compliance of its prospective subrecipients, the Applicant is strongly encouraged to take the appropriate measures, including but not limited to obtaining sufficient documentation from each subrecipient, to assure the validity of all certifications and assurances the Applicant has made to FTA. FTA may not award Federal assistance for the Clean Fuels Grant Program until the Applicant provides these certifications by selecting Category "16."

As required by 49 U.S.C. 5308(d)(1), which makes the requirements of 49 U.S.C. 5307 applicable to Clean Fuels Grant Program assistance, and 49 U.S.C. 5307(d)(1), the designated recipient or the recipient serving as the Applicant on behalf of the designated recipient, or the State or State organization serving as the Applicant on behalf of the State, certifies as follows:

17. ELDERLY INDIVIDUALS AND INDIVIDUALS WITH DISABILITIES FORMULA GRANT PROGRAM AND PILOT PROGRAM

Before FTA may award Elderly Individuals and Individuals with Disabilities Formula Grant Program assistance and, if applicable, Elderly Individuals and Individuals with Disabilities Pilot Program assistance to a State, the U.S. Secretary of Transportation or his or her designee is required to make the pre-award determinations required by 49 U.S.C. 5310. Because certain information is needed before FTA can make those determinations, each State is requested to provide the following certifications assurances on behalf of itself and its subrecipients. Unless FTA determines otherwise in writing, the State itself is ultimately responsible for compliance with its certifications and assurances even though a subrecipient, lessee, third party contractor, or other participant may participate in that project. Consequently, in providing certifications and assurances that involve the compliance of its prospective subrecipients, the State is strongly encouraged to take the appropriate measures, including but not limited to obtaining sufficient documentation from each subrecipient, to assure the validity of all certifications and assurances the State has made to FTA. A State that fails to provide these certifications and assurances on behalf of itself and its subrecipients may be determined ineligible for a grant of Federal assistance under 49 U.S.C. 5310 if FTA lacks sufficient information from which to make those determinations required by Federal laws and regulations governing the Elderly Individuals and Individuals with Disabilities Formula Grant Program and, if applicable, the Elderly Individuals and Individuals with Disabilities Pilot Program authorized by 49 U.S.C. 5310 and section 3012 of SAFETEA-LU, respectively. The State is thus requested to select Category "17".

A. As required by 49 U.S.C. 5310(d), which makes the requirements of 49 U.S.C. 5307 applicable to the Elderly Individuals and Individuals with Disabilities Formula Grant Program to the extent that the Federal Transit Administrator or his or her designee determines appropriate, and 49 U.S.C. 5307(d)(1), the State or State organization serving as the Applicant (State) and that administers, on behalf of the State, the Elderly Individuals and Individuals with Disabilities Program authorized by 49 U.S.C. 5310, and, if applicable, the Elderly Individuals and Individuals with Disabilities Pilot Program authorized by subsection 3012(b) of SAFETEA-LU, 49 U.S.C. 5310 note, certifies and assures on behalf of itself and its subrecipients as follows:

- (1) In compliance with 49 U.S.C. 5307(d)(1)(A), the Applicant has or will have the legal, financial, and technical capacity to carry out its proposed program of projects, including the safety and security aspects of that program;
- (2) In compliance with 49 U.S.C. 5307(d)(1)(B), the Applicant has or will have satisfactory continuing control over the use of project equipment and facilities;

(3) In compliance with 49 U.S.C. 5307(d)(1)(C), the Applicant will adequately maintain the project equipment and facilities;

(4) In compliance with 49 U.S.C. 5307(d)(1)(E), the Applicant, in carrying out a procurement financed with Federal assistance authorized under 49 U.S.C. 5310 or subsection 3012(b) of SAFETEA-LU: (1) will use competitive procurement (as defined or approved by FTA), (2) will not use exclusionary or discriminatory specifications in its procurements, (3) will comply with applicable Buy America laws, and (4) will comply with the general provisions for FTA assistance of 49 U.S.C. 5323 and the third party procurement requirements of 49 U.S.C. 5325;

(5) The State has or will have available and will provide the amount of funds required by 49 U.S.C. 5310(c), and if applicable by subsections 3012(b)(3) and (4) of SAFETEA-LU, for the local share, and that those funds will be provided from approved non-Federal sources except as permitted by Federal law; and

(6) In compliance with 49 U.S.C. 5307(d)(1)(H), the Applicant will comply with: (1) 49 U.S.C. 5301(a) (requirements for public transportation systems that maximize the safe, secure, and efficient mobility of individuals, minimize environmental impacts, and minimize transportation-related fuel consumption and reliance on foreign oil); (2) 49 U.S.C. 5301(d) (special efforts to design and provide public transportation for elderly individuals and individuals with disabilities); and (3) 49 U.S.C. 5303 through 5306 (planning and private enterprise requirements);

B. The State assures that each subrecipient either is recognized under State law as a private nonprofit organization with the legal capability to contract with the State to carry out the proposed project, or is a public body that has met the statutory requirements to receive Federal assistance authorized for 49 U.S.C. 5310;

C. The private nonprofit subrecipient's application for 49 U.S.C. 5310 assistance contains information from which the State concludes that the transit service provided or offered to be provided by existing public or private transit operators is unavailable, insufficient, or inappropriate to meet the special needs of the elderly and persons with disabilities;

D. In compliance with 49 U.S.C. 5310(d)(2)(A) and subsection 3012(b)(2) of SAFETEA-LU, the State certifies that, before it transfers funds to a project funded under 49 U.S.C. 5336, that project has been or will have been coordinated with private nonprofit providers of services under 49 U.S.C. 5310;

E. In compliance with 49 U.S.C. 5310(d)(2)(C), the State certifies that allocations to subrecipients of financial assistance authorized under 49 U.S.C. 5310 or subsection 3012(b) of SAFETEA-LU will be distributed on a fair and equitable basis; and

F. In compliance with 49 U.S.C. 5310(d)(2)(B) and subsection 3012(b)(2) of SAFETEA-LU, the State certifies that:

- (1) projects it has selected or will select for assistance under that program were derived from a locally developed, coordinated public transit-human services transportation plan; and
- (2) the plan was developed through a process that included representatives of public, private, and nonprofit transportation and human services providers and participation by the public.

18. NONURBANIZED AREA FORMULA PROGRAM FOR STATES

The provisions of 49 U.S.C. 5311 establishing the Nonurbanized Area Formula Program for States do not impose, as a precondition of award, any explicit certification or assurance requirements established specifically for that program. Only a State or a State organization acting as the Recipient on behalf of a State (State) may be a direct recipient of this Nonurbanized Area Formula Program assistance. Separate certifications and assurances have been established in Category 22 for an Indian Tribe that is an Applicant for Tribal Transit Program assistance authorized by 49 U.S.C. 5311(c)(1).

Before FTA may award Nonurbanized Area Formula Program assistance to a State, the U.S. Secretary of Transportation or his or her designee is required to make the pre-award determinations required by 49 U.S.C. 5311. Because certain information is needed before FTA can make those determinations, each State is requested to provide the following certifications and assurances on behalf of itself and its subrecipients. Unless FTA determines otherwise in writing, the State itself is ultimately responsible for compliance with its certifications and assurances even though a subrecipient, lessee, third party contractor, or other participant may participate in that project. Consequently, in providing certifications and assurances that involve the compliance of its prospective subrecipients, the State is strongly encouraged to take the appropriate measures, including but not limited to obtaining sufficient documentation from each subrecipient, to assure the validity of all certifications and assurances the State has made to FTA. A State that fails to provide these certifications and assurances on behalf of itself and its subrecipients may be determined ineligible for a grant of Federal assistance under 49 U.S.C. 5311 if FTA lacks sufficient information from which to make those determinations required by Federal laws and regulations governing the Nonurbanized Area Formula Program authorized by 49 U.S.C. 5311. The State is thus requested to select Category "18."

The State or State organization serving as the Applicant and that administers, on behalf of the State (State) the Nonurbanized Area Formula Program for States authorized by 49 U.S.C. 5311, assures on behalf of itself and its subrecipients as follows:

A. The State has or will have the necessary legal, financial, and managerial capability to apply for, receive, and disburse Federal assistance authorized for 49 U.S.C. 5311; and to carry out each project, including the safety and security aspects of that project;

B. The State has or will have satisfactory continuing control over the use of project equipment and facilities;

C. The State assures that the project equipment and facilities will be adequately maintained;

D. In compliance with 49 U.S.C. 5311(b)(2)(C)(i), the State's program has provided for a fair distribution of Federal assistance authorized for 49 U.S.C. 5311 within the State, including Indian reservations within the State;

E. In compliance with 49 U.S.C. 5311(b)(2)(C)(ii), the State's program provides or will provide the maximum feasible coordination of public transportation service to receive assistance under 49 U.S.C. 5311 with transportation service assisted by other Federal sources;
