Re: Bingo Fundraiser Event Partnership with Game Night at Copper Sky

Maricopa Seniors, Inc. is pleased to present this proposal for a partnership with the City of Maricopa for Game Night at Copper Sky.

Request: To obtain City Council approval to offer Bingo as fundraising recreational gaming four (4) times per year as a scheduled activity of Game Night at Copper Sky.

License: Maricopa Seniors, Inc. currently holds a Class A Bingo License, ~~#11-162-A~~, which we obtained in 2011. The current license would need to be modified to indicate additional game dates and times at Copper Sky. Approval from City Council would also be required to allow recreational gaming on City property.

Dates: Proposed Game Nights (last Friday of the month) in:

- February
- March
- September
- October

Times: Doors open at 6:00pm; First game at 6:20pm; Games conclude by 9:00pm

Attendees: *(See A.R.S. Ch. 4: R15-7-201 – General Provisions, definition of “player”)*

- Must be age 18 or older. (No one under age 18 admitted.)
- There must be a minimum of 10 people to hold Bingo games. If less than 10, the Bingo games would be canceled and a credit given for fees.

Costs: \$10 per person, General Admission (Cash Only Accepted)
Basic admission fee covers 1 6on/8up Bingo paper set
All transactions are Cash Only and would be handled by Maricopa Seniors.

Extras: \$1.00 each – Bingo dabbers (assorted colors)
\$7.00 each – 1 Additional 6on/8up Bingo paper set (maximum of 1 per player)
\$1.00 each – Special “Double Action” Game Paper (maximum of 4 per player)
All transactions are Cash Only and would be handled by Maricopa Seniors.

Games: A total of 9 games per session.

- Games 1, 2, 3, 4, 6, 7, and 8 are standard Bingo games, each with a specific shape that must be “covered” for a Bingo. *(examples: four corners, horizontal line, etc.)*

- Jackpots:** Jackpots for all games but Game 5 are paid in cash based on total attendees, using a pre-determined formula. Jackpots are computed using a percentage split based on the total number of attendees purchasing the basic admission 6on/8up game set. Additional purchases of a 6on/8up set result in a specific cash amount going toward each jackpot. A table showing the breakdowns by attendee totals and payouts is included.
- Game 5 (Double Action) is a 50/50 split jackpot based on total games sold. *(Each sheet is \$1.00, and players are limited to a total of 4 sheets.)*
- In the event of multiple winners for a single jackpot, the jackpot is divided equally.

- Room Rental \$8.00 per occasion \$32.00 for 4 games
- Table/Chair Rental \$8.75 per occasion \$35.00 for 4 games
