- Animal impound fees shall be charged to the municipality/town for the following legal hold periods required by A.R.S. § 11-1013:
 - Each dog or cat without identification or microchip shall be kept and maintained at the county pound for seventy-two (72) hours.
 - Each dog or cat with identification or microchip shall be kept and maintained for one hundred and twenty (120) hours.
 - Animal impound fees shall be charged regardless of whether or not the animal is reclaimed.

Subsequent Care, Treatment, and/or Veterinary Services for Animals in Cases of Cruelty, Neglect, and/or Abuse

- In situations where an individual or individuals have been charged and/or cited with offenses involving the cruelty, neglect, and/or abuse of an animal and such an animal has been injured and/or requires veterinarian care, treatment, and/or other reasonably necessary services, the municipality/town shall be responsible for fifty percent (50%) of the total costs incurred by County to care, treat, and/or provide other reasonably necessary services to the animal.
- County shall provide documentation to the municipality/town to evidence the total costs incurred in the care, treatment, and/or other reasonably necessary services provided to the animal. The municipality/town shall remit payment for fifty percent (50%) of the total costs to County within thirty (30) days of the municipality/town's receipt of such documentation.
