Porter Rd. and W. Applegate Rd., just north of Maricopa-Casa Grande Hwy.

Derek Scheerer, Planner II gave a presentation on GPA 22-05 and PAD 22-05, requested by Don Leake of Shelter Asset Management on behalf of El Dorado 27, LLC. He stated the general plan amendment (GPA) would change the existing Public/Institutional (PI) to Mixed Use (MU) and the Planned Area Development from the existing Light Industry & Warehouse (CI-1) to Planned Area Development (PAD). He detailed the site location and information including that it would be a proposed multi-family development of 536 units. He further detailed proposed parking spaces. He provided visuals of the existing and proposed general plan. He provided visuals of the existing and proposed zoning. He discussed the City's 2018 Housing Plan and the adopted housing plan goals including the need for more multi-family housing. He detailed the housing affordability by occupations. He provided conceptual site plans and traffic generation. He stated the proposed amendments would equal a trip reduction of 70 percent and elaborated. He detailed the capacity of Porter Road and concluded it was at 21 percent of its design capacity. He provided the commercial concept and area compatibility. He detailed the public comment process and stated that at the May 9, 2022 Planning and Zoning (P&Z) Commission meeting, members of the public presented concerns on area traffic and incidences of vehicle/dedestrial accidents. He provided statistics from Maricopa Police Department on accidents in the area. He stated the P&Z Commission recommended approval of GPA 22-05 and PAD 22-05, subject to the conditions of approval in the staff report. He stated staff, the applicant and MPD were present for questions. The public hearing was opened at 7:33 PM.

Sue Van Gosen expressed concerns with the 4-5 story level height. She stated it would look out of place and set a precedent. She expressed concerns with increased traffic and stated a grocery store was needed on that part of town.

Jeannie Ellis expressed concerns with increased traffic. She stated that school traffic was already an issue.

Dustin Williams expressed concerns with increased traffic and kids safety with all the schools located along Porter Road. He stated there were not enough cross walks and safety measures.

Brittany Pisola expressed concerns with increased traffic to a road that was already dangerous. She discussed her personal experience with walking and driving through the area. She expressed concerns with the lack of school zone speed areas. She stated she agreed with residential, instead of commercial but disagreed with the 5 story height. She stated information was not accessible for the public hearings.

Councilmember Smith asked B. Pisola to clarify that she was not opposed to multi-family residential, and just the 5 story. B. Pisola clarified.

Sadie Barnum expressed concerns with water usage and electricity.

Michelle Shiley reiterated she also had no issue with residential, but did not want the 5 story height. She expressed concerns with a lack of commercial sites in the area.

Heather Williams stated she was not within the 600 feet for required notification and

recommended better notification standards. She asked whether more police officers would be hired to account for all the new housing. She expressed concerns with increased traffic and child safety.

Councilmember Smith shared information on state legislation bills that would have taken away local control on affordable housing development. She addressed concerns with SR 347 and the upcoming proposition on the continuation of the half cent tax. She discussed the height of the building and the amenities. She asked the developer verify whether if by putting the same amount of units in 3 stories, meant they would have to lose the amenities. Greg Davis affirmed that would be the case and the height would be free up open space. Councilmember Smith stated she would prefer the amenities. Discussion ensued. Councilmember Smith addressed the traffic concerns and stated that the residential would not create the problem, that the problem was the school traffic. City Manager Horst stated staff had met with schools about their failure to comply with their original traffic plans and were given the summer to revise those plans. He elaborated on enforcement at the beginning of the new school year.

Councilmember Liermann inquired about the schools. City Manager Horst elaborated on the schools safe paths. Councilmember Liermann asked about the 5 story setback design to be less imposing. Mr. Davis elaborated on the design to soften the height. Councilmember Liermann spoke in support of diversified housing.

Councilmember Wade stated that he lived in the Glennwilde community and elaborated on his first-hand experience and shared concerns with the community. He spoke in opposition of a 5 story building. He stated that he agreed there was a need for multi-family housing, but did not agree with the process.

Councilmember Marsh stated he was in favor of intelligent growth and elaborated on the multi village concept. He stated more apartments were needed to support teachers and other workers. He supported the proposed amendments.

The public hearing was closed at 8:22 PM.

The Public Hearing was held.

8.4 [RES 22-26](#)

A Resolution of the Mayor and City Council of the City of Maricopa, Arizona, approving and adopting a Minor General Plan Land Use Amendment to change the land use from Public/Institutional (P) and Mixed Use (MU) to Mixed Use (MU) for approximately 25.3 acres generally located at the northeast corner of N. Porter Rd. and W. Applegate Rd., just north of Maricopa-Casa Grande Highway, within the City of Maricopa incorporated limits, as described in case #GPA 22-05. The land is located in a portion of Section 36, Township 4 South, Range 3 East of the Gila and Salt River Base and Meridian, Pinal County, Arizona. Discussion and Action.

Vice Mayor Manfredi thanked the public for attending and elaborated on his public engagement. He addressed concerns with public safety and stated that public safety was allocated approximately 43 percent of the budget. He addressed concerns with traffic and transportation issues. He stated he talked with the Maricopa Unified School District on possible solutions but the Charter schools relied on volunteers. He encouraged volunteers. He talked about MUSD and stated the foreign teachers, police officers, firefighters and medical employees needed housing. He stated there was a shortage of affordable housing in Maricopa.

Councilmember Wade discussed commuting the SR 347 and stated a solution was important to everyone.

Councilmember Smith asked staff to elaborate on the traffic impact study. City Engineer, Eduardo Raudales elaborated on the process of the traffic impact analysis. He stated growth was accounted and elaborated. He stated it included traffic generated by all development in the area. He stated it also took into account the school traffic. City Manager Horst stated the traffic analysis also included future land use. Discussion ensued. Councilmember Smith asked Mr. Davis how it would affect the project if they had to go to 3 stories. Mr. Davis stated it would definitely reduce the amenities and would change the prestige and scope of the project. Discussion ensued.

Vice Mayor Manfredi asked City Attorney Denis Fitzgibbons clarification on whether the vote would approve the height. Mr. Fitzgibbons and City Manager Horst clarified it would approve the height for five stories.

Councilmember Marsh spoke in support in order to attract more companies. Vice Mayor Manfredi elaborated he didn't initially like the idea of five stories but he would rather have five stories with amenities. He addressed concerns with traffic and public safety. Discussion ensued.

Mayor Price discussed balancing issues and the by-right concept. He elaborated on the proposed bills that keep going before legislation to limit local power on zoning for affordable housing. He discussed the inconvenience of growth of the city and stated he understood the Glennville community because Maricopa Meadows and other communities had similar concerns. He stated he struggled with the height issue however he didn't want something ordinary and was in favor of the amenities. A brief discussion ensued.

A motion was made by Councilmember Smith, seconded by Councilmember Marsh, that this Resolution be Approved. The motion carried by the following vote:

Aye: 5 - Mayor Christian Price, Vice Mayor Vincent Manfredi, Councilmember Amber Liermann, Councilmember Bob Marsh and Councilmember Nancy Smith
