

2018 State of the City Sponsorship Opportunities

The City of Maricopa and the Maricopa Economic Development Alliance are pleased to present the 2018 State of the City Address by Mayor Christian Price on Wednesday, October 24. This year's theme is "Back to the Future" and will celebrate 15 years of incorporation looking at what key decisions got us to where we are now and what we're doing today to get us to where we want to be in 15 years.

The City of Maricopa and the Maricopa Economic Development Alliance are partnering to enhance the event and support local businesses. We are offering our businesses the opportunity to join us in this highly publicized and attended occasion. As a sponsor your business will be spotlighted as a proud sponsor of the Mayor's address to residents and community leaders.

Sponsorships are limited, and we would like your sponsorship commitment no later than September 18.

Please contact Carol Robinson at 520-316-6827 or Carol.Robinson@maricopa-az.gov. All Maricopa businesses are invited to participate. Payments can be made with check. Any funds left over will go to next year's State of the City event.
