SMOKE DETECTOR PROGRAM

Program Overview

The Smoke Detector Program was officially launched in 2025 as a new community risk reduction initiative.

The program provides free smoke alarm inspections, maintenance assistance, and fire safety education to help residents have working smoke alarms and knowledge they need to stay safe in an emergency.

Services Provided

- Smoke alarm inspections and testing
- Battery replacement assistance
- Expired alarm identification (10+ years old)
- Detector cleaning and maintenance
- Fire safety education
- Residential Risk Assessments
- Information on: Escape planning, Lock Box program, File of Life, Yellow Dot Program, Deaf/Hard of Hearing alert systems

LOOKING AHEAD

As a newly established program, the Smoke Detector Program will continue expanding appointment availability, volunteer involvement, and residential risk reduction efforts throughout Maricopa.

Working smoke alarms save lives.

They cut the risk of dying in a home fire by **nearly half.**

COMMUNITY OUTREACH

Maricopa Fire Corps

Our Corps is made up of volunteers who donate their time to support the efforts of MFMD. They conduct administrative tasks as well as accompany firefighters on incidents and training days to ensure they have access to necessary rehab.
