Question applies to Age-Friendly Maricopa Advisory Committee.

Please describe why you would be a good representative on the Age-Friendly Committee for the category(ies) selected.

I'm a previously retired now hardworking individual. I love our "big little town" and will do anything to see it prosper. We pulled up stakes back east, left all our family behind to retire here without knowing a soul here. I totally love it here and want to make it the best place for all ages. I feel that you can only do that from within.

Question applies to Age-Friendly Maricopa Advisory Committee.

What collaborations are you involved with related to age-friendly, senior or elder initiatives?

My husband is not only retired but also disabled. I feel that since I have been able to help him get his disability and move into retirement gracefully, perhaps I might be able to help others. I am also a Stephens Minister, not sure if there are others here in Maricopa which is a wonderful listening ministry (playing games is a great time to listen to others).

Question applies to Age-Friendly Maricopa Advisory Committee.

Please describe how you will gather and incorporate feedback from other stakeholders that represent the category you are applying to represent.

I work well with others, always respecting their opinions. I am presently the Experience Lead for Maricopa's Relay for Life. Planning and executing with others are my strengths. Love to see others enjoying themselves and this means everyone of all ages!
