

**18.120.240 Group home.**

Group homes are permitted in all single-family districts subject to the requirements provided herein. The purpose of these regulations is to permit minors, disabled, handicapped or elderly persons to reside together in single-family residential neighborhoods in compliance with the Fair Housing Act, while preserving the residential character of the neighborhood.

A. *Registration.* Group homes with seven to 10 residents shall submit a completed zoning permit application and required supplemental materials to the planning division on a form established by the zoning administrator. For group homes with seven to 10 residents that are licensed by the state, county or other governmental authority, a tentative zoning permit may be issued upon verifying the application complies with the standards below. Said group homes shall be considered to be registered with the city at the time they receive a tentative zoning permit. In all cases, permits for group homes shall terminate when the group home use ceases.

B. *Standards.* Group homes shall be located, developed, and operated in compliance with the following standards:

1. *Occupancy.* The number of residents, excluding staff, shall not exceed:
  - a. One to six residents: No zoning permit required.
  - b. Seven to 10 residents: A zoning permit is required.
2. *Separation.* The minimum separation between group homes shall be 1,200 feet, as measured from the closest property lines.
3. *Exterior Appearance.* There shall be no sign or other exterior indication of a group home visible from a street. A minimum six-foot-high wall or fence shall be provided for purposes of screening and securing outdoor recreational areas.
4. *Compliance with All Applicable Building and Fire Safety Regulations.* Group homes shall comply with any and all other applicable state or local requirements including, but not limited to, the city's building and fire codes. The written request shall contain sufficient facts to allow the zoning administrator to make an individualized determination of the group home's needs, to address the city's safety and welfare concerns, and to assure compliance with this section. The zoning administrator shall review the written request and determine:
