**City of Maricopa**  
Project Narrative

Dear City of Maricopa,

This application is to formalize our request to abandon the two (2) 8-foot utility easements that are located next to one another (16 feet total) depicted on the ALTA Survey and as identified in the associated legal description.

Our church is working with the City of Maricopa to construct a new worship center on our property. The site location of our building will be in conflict with this utility easement.

Peace and grace,

**Pastor Dan**
