Re: Pinal County Adult Detention Center Incarceration Costs

Dear Mr. Horst,

City of Maricopa inmates have historically been incarcerated at the Pinal County Adult Detention Center (PC-ADC). Since the last cost adjustment in 2010, the daily incarceration rate of \$72.30 per inmate per day and the booking/intake rate of \$193.86 per event have not been adjusted to cover actual current costs.

I am writing to inform you that Pinal County had a cost study performed by MGT of America Consulting, LLC. The objective of the study was to determine average per diem costs incurred to house adult inmates in PC-ADC based on fiscal year 2018-19 expenditures for housing inmates, including (but not limited to) administration, food service, medical service, facilities, custodial, and laundry costs. The study found that daily incarceration costs \$123.00 per inmate per day and that booking and intake costs \$357.00 per event.

Rather than imposing full costs at once, it is our intention to 'phase in' the cost adjustments beginning with the daily incarceration rate increasing to \$103.00 per inmate per day, effective January 1, 2021. In the next phase, effective July 1, 2021 the full daily rate of \$123.00 per inmate per day would be imposed, and then in subsequent phases the Booking and Intake rate would be increased in a similar 'phased' manner until full costs incurred are covered. It may be noted that each respective governmental unit is responsible for the costs of incarcerating inmates arrested and/or convicted under said governmental unit's authority. A.R.S. § 31-121(D).

We are providing this advanced notice in order to provide time to make any necessary budget adjustments. We intend to commemorate the mutual agreement between the City of Maricopa and Pinal County via Intergovernmental Agreement at such time.

Thank you for your attention to this matter.

Sincerely,

- v. Provide transportation to and from the Facility: when CITY inmates are booked into and released from the Facility; when appearances are required at court hearings; and when medical, dental, or other appointments for any such inmates are scheduled within/outside the Florence area. - x. Observe and administer any records exchanged under this IGA pursuant to applicable law.

- C. "Day" and "Event".** The Parties agree that "day" for the purposes of billing/incurred daily inmate detention costs/fee means any period in excess of two hours within the given calendar day. The Parties agree that "event" for the purposes of billing/incurred booking/intake costs/fee means each time/instance that the booking/intake of an inmate is completed and the inmate is accepted into PCSO ADC custody.
- D. Policies, Practices and Standards.** The Parties acknowledge and agree that the PCSO ADC and all inmates therein are managed and administered according to PCSO ADC management, policies, practices and standards and will remain so for the duration of this IGA.
- E. Acceptance or Rejection of Inmate.** The Parties agree that if the inmate presents a serious medical condition beyond the scope of the Facility health provider, an urgent medical condition or is otherwise not medically cleared for intake into ADC, CITY shall maintain custody of the inmate and CITY shall transport or otherwise seek any necessary examination, care and/or treatment as soon as possible. By initiating the intake/booking process, PCSO does not in any way accept responsibility for the inmate or any costs of medical care. CITY agrees that PCSO shall not be responsible for the inmate's custody and detention unless and until the inmate is deemed medically fit to be incarcerated in PCSO ADC.
- F. Non-Routine Services and Additional Expenses.** The Parties agree that "Services" do not include non-routine medical care, mental health or psychiatric care. Non-routine services include, but are not limited to, hospitalization, ambulance, psychiatric assessments, psych-ed evaluation, and medications. - Additional Expense(s) include any and all costs associated with: transportation not expressly provided for in this IGA that are attributable to CITY inmates; non-routine services and/or materials required by CITY inmates; and CITY inmate medical and/or mental-health care and treatment not covered by the daily inmate fee referenced above. Medical and/or mental-health care and treatment not covered by the daily inmate fee include: prescription medication(s), hospital visits or any other medical/mental-health services requiring outside facilities, services or providers, and/or catastrophic medical or mental-health events.
- G. Written Concurrence for Non-Routine Services.** In the event of non-routine services the Parties agree to discuss said services and create a written concurrence regarding the services in advance. The Parties acknowledge that any emergency circumstances that arise may, in turn, make it unreasonable or unfeasible to discuss and/or create a written concurrence in advance.
- To the extent permitted by time, PCSO shall contact CITY to discuss any non-routine services that arise. The Parties agree that such discussion shall not unduly delay any need for emergency services, including, but not limited to emergency medical attention. PCSO shall have the sole discretion and authority to determine whether a situation is an emergency, or becomes an emergency while awaiting CITY's concurrence and CITY shall defer to PCSO's assessment of the situation and determination regarding the emergency / non-emergency nature of the situation
- H. Open Communications.** PCSO and CITY shall maintain open communications between each Party's designated point of contact ["POC"] (listed in **Section 10.A** below) to ensure the agreed upon facilities and services are provided and maintained throughout the term of this IGA. Parties shall maintain open communication regarding needs arising out of the IGA.
- I. Inmate Legal Counsel.** PCSO is *not* responsible for any legal representation required or requested by CITY inmates. The provision of any such requisite legal counsel and/or any arrangements therefore remain the responsibility of CITY.

- J. PREA.** The Prison Rape Elimination Act (PREA) 34 U.S.C. §§ 30301—30309 and 28 C.F.R. §§ 115.11—115.501 was established to address the elimination and prevention of sexual assault and sexual harassment within correctional systems and detention facilities. The Parties will comply with all applicable standards. A duly authorized law enforcement agency will be assigned to investigate all incidents of sexual assault allegedly occurring within the Facility. The Parties agree to disclose any knowledge of sexual abuse or sexual harassment that a CITY inmate may have encountered, whether as the perpetrator or the victim.
- K. Remote Appearance Technology.** To the maximum extent possible, and according to the mandates of the Court, the Parties intend to utilize available technology for the remote appearance/attendance of inmates in hearings, proceedings, meetings, appointments, and evaluations when appropriate and available. Such means/methods may include audio/video conferencing technology and/or telephonic communication. The purpose of doing so is to maximize the health and safety of all facility occupants and to maximize the efficient use of available time, staff and resources, subject to any requisite court approval or, when applicable, the professional discretion of involved physician(s), other psychiatric or medical professional(s), or legal counsel.
- L. Emergency Evacuation.** In the event of any emergency requiring evacuation of the Facility, PCSO shall evacuate any CITY inmate in the same manner and with the same safeguards as other inmates in the Facility. PCSO shall verbally notify CITY and confirm by e-mail or fax, within eight (8) hours of such evacuation.
- M. Public Health Crises.** In the event of a public health crisis or the like (i.e. COVID 19 pandemic), CITY acknowledges and agrees that PCSO is authorized to take all reasonable measures, as determined in the sole discretion of PCSO, to protect the health and welfare of Facility occupants. Such measures may include, but are not limited to, stopping all non-essential ingress and/or egress to and from the Facility which may result in the discontinuation of programs and/or practices that pose a high risk of introducing and/or transmitting infection to or between Facility occupants. Additionally, PCSO reserves the right to deny entry of any CITY inmate referred to Facility where, as determined in the sole discretion of PCSO, the public interest in detention does not outweigh the risk of introducing infection into the Facility. Further, at the request of PCSO, CITY may be required to arrange for an initial quarantine detention of any such inmate before the inmate may be later transferred into Facility.
- N. Facility Capacity.** The Parties acknowledge and agree that housing CITY inmates will not be available if/when the population of the portion(s) of the Facility in operation at the time of referral is at capacity. If the Facility is at or near capacity, PCSO will work with CITY to determine whether, in PCSO's sole discretion and determination, any accommodations can be provided in the event the need arises for additional detention of CITY inmates at the Facility.
- O. Force Majeure.** The Parties are not liable to each other if an occurrence of force majeure prevents its performance under the contract. If either party is delayed at any time in the progress of its performance under the contract by an occurrence of force majeure, the delayed party shall notify the other no later than the following working day after the occurrence, or as soon as it could reasonably have been expected to recognize that the occurrence had effect in cases where the effects were not readily apparent. In any event, the notice must make specific reference to this paragraph specifying the causes of the delay in the notice and, if the effects of the occurrence are on-going, provide an initial notification and thereafter the delayed party shall provide regular updates until such time as the effects are fully known. To the extent it is able, the delayed party shall cause the delay to cease promptly and notify the other party when it has done so.
