Project: Maricopa Police Department Vehicle Purchase

In accordance with City of Maricopa, Purchasing Code, Article IV, Sec. 3-214, Exclusive Service and Sec. 3-221, Local Preference, the City researched the availability of Ford Crown Victoria Police Interceptor (P71) for replacement vehicles for the Police Department Fleet.

It has been determined that some of the equipment in the retiring Police Department fleet vehicles is still operational and can be re-installed in new vehicles. After contacting several Ford Dealerships in the Phoenix Metro Area, and the Dealership on the Arizona State Contract for vehicle availability, the City was informed that Ford Motor Company had discontinued the production of Crown Victoria's and they did not have any on their lots.

Discussions were opened with the Glenn Jones Ford Lincoln Mercury, LLP, dealership, located in Maricopa, AZ, on their ability to source seven (7) new vehicles and they were able to find them and offered them at a very competitive pricing, completely outfitted with the required emergency equipment.

Based on discussions with the City Fleet Manager and the Chief of Police, and that this purchase is budgeted in the F2012 CIP, it is recommended that the award of the purchase of seven (7) new Ford Crown Victoria Police Interceptor (P71) be awarded to Glenn Jones Ford Lincoln Mercury, LLP.

Respectfully submitted:

Patricia A. LaCombe,  
Purchasing Manager  
City of Maricopa  
Date: April 3, 2012
