The Purpose of the Citizen Participation Plan (CPP) is to ensure that applicants pursue that early and effective citizen participation in conjunction with their applications, giving residents, utility companies, and property owners the opportunity to understand and try to mitigate any real or perceived impacts the proposed public right-of-way application may have on the community; ensure that the citizens and property owners of the City of Maricopa have an adequate opportunity to learn about applications that may affect them and to work with applicants to resolve concerns at an early stage of the process; and facilitate staff, and elected officials throughout the application review process.

- ☐ Draft notification letters to be reviewed and approved by staff
 - The case Planner will assist with revisions until properly formatted

Re: W. Honeycutt Ave. Right of Way Abandonment

Dear Sirs/Madams:

The City of Maricopa is processing an application requesting the abandonment of a portion of West Honeycutt Avenue, section of public right of way (ROW) located on the southeast corner of W. John Wayne Pkwy. and W. Honeycutt Ave. as shown on the attached exhibits. The City of Maricopa does not have plans to improve or use the subject portion of ROW and has agreed to abandon it at this time, which will result in the subject land being returned to the adjacent landowners. Utilities may be present on and adjacent to the subject site; it will be necessary for the utility companies to obtain easements to ensure proper access.

The City of Maricopa City Council will hold a public hearing on **April 16, 2024** at 6:00 P.M. in the City Hall Council Chambers, 39700 Civic Center Plaza, to receive public comment on the requested abandonment. Should you have any question or concerns with regard to the proposed abandonment, you are encouraged to attend or submit written comments to the attention of Eduardo Raudales, City Engineer, Development Services Department, City of Maricopa, 39700 Civic Center Plaza, Maricopa, AZ 85138.

If you have any questions, or be of further assistance, please feel free to contact the Planning Division at (520) 568-9098.
