Re: ABDN23-10 Abandonment of Section Line ROW

Dear Sirs/Madams:

The Trustees of the First Baptist Church of Maricopa, have filed an application with the City of Maricopa requesting the abandonment of Section Line ROW for Township 4S, Section 27/Section 28, Range 3E, across Pinal County Parcel 510-27-022B, a short section of recorded public right-of-way (DKT 375, PG 572 Pinal County Recorder) located between Pinal County Parcel 510-27-0210 to the north and the N. John Wayne Parkway right-of-way to the south, as shown on the attached exhibits. The Section Line ROW, which has not been developed as a public street, is situated on land that the Church has purchased and is currently developed. The City of Maricopa does not have plans to improve or use the ROW and has agreed to abandon it at this time.

Good afternoon-

Project Name: ABDN23-10 Right-of-Way Abandonment – Section 27/28 Section Line Road

Project Location: Generally located southeast of the intersection of N. Maricopa Rd. and W. Honeycutt Ave. within the City of Maricopa.

Review members:

- This is a request for the right-of-way (ROW) abandonment of the unimproved Pinal County Section Line Road for a portion of Sections 27 and 28 (refer to exhibits attached and below).
- City staff is submitting the application package on behalf of the Trustees of the First Baptist Church of Maricopa, the property owner, who will subsequently take ownership of the abandoned property.
- The reason for the abandonment request is that the City does not have plans to improve or use the ROW in the future.
- Notification letters have been sent out to utilities in the area, who may need to pursue access easements with the property owner to be recorded with Pinal County.

This request is to review the proposal remotely, and to provide feedback for the benefit of the applicant.

More details attached.

Please provide your review comments back to me by email prior to end of business **May 4th** if your review is applicable.
