Thank you for considering my application for volunteering for the Maricopa Planning and Zoning Board. Though I have no experience in this area, I always have been a quick learner.

We have been Maricopa residence for almost 8 years now and its time to become more involved in the community. Recently I signed up with the Maricopa PD volunteer program. Shortly thereafter, I was speaking with Mayor Price and a local candidates forum and he said the city needed volunteers to serve on some of the boards.

If you desire anymore information, please feel free to contact me. Thank You.

Sincerely,

A handwritten signature in black ink that reads "David V. Carter". The signature is written in a cursive style with a long, sweeping underline.
