## **ANALYSIS**

---

### **Details of the Request**

The City is requesting a map amendment to rezone the subject properties from the existing General Business (CB-2) zoning to the General Commercial (GC) zoning district, in an effort to bring the subject parcels out of the county zoning district and into the municipal General Commercial (GC) zoning district and development standards.

The site's current CB-2 zoning is intended for a variety of commercial and retail uses. The General Commercial (GC) zoning district is similarly designed to support commercial uses. Although a rezone from the county CB-2 zoning district to the municipal GC zoning district is not required to support commercial and retail uses, the property owners have agreed to proceed with the rezone entitlement to bring the subject properties into conformance with the City's prevailing General Commercial (GC) development standards.

### **Site History**

The subject parcels, 510-71-030E and 510-71-030F, totaling ±2.93-acres of commercially zoned property are located in the Seven Ranches area. The subject area was created as Lot 1 through a Minor Land Division in 2021, under record number LOT21-06. A 0.99-acre portion of Lot 1 was subsequently sold to Mark and Jody Pectol by Honeycutt LLC in 2023. Property owners, Mark and Jody Pectol & Honeycutt LLC have agreed to rezone their respective properties to the municipal zoning district General Commercial (GC).
