

# Roadside Memorials

October 6, 2022

# Memorial Markers

# Roadside Memorial Marker Program Purpose

- Provide residents a safe and respectful means to remember their loved ones

# Roadside Memorial Application Process

- Short, one page application (available on City website)
- Must be submitted to the Traffic Operations Division
- Markers will be a standardized design and size and installed by the Traffic Operations Division
- Placed in a safe location at or near the location of the incident
- Markers will remain in place for one year unless earlier removal is necessary due to construction activities

# Roadside Memorial Costs and Design

- The cost of the application will be \$300 and covers the construction, installation and maintenance of the marker
- The marker will be a 15 inches in diameter aluminum sign
- Installed at an approximate height of 36-42 inches from the ground to the top of the marker

# Examples of Markers

The roadside memorials may not be exactly as pictured but will be similar

# Memorial Markers Not in Compliance

- Any memorial markers installed without an approval and out of compliance will be allowed to stand for no more than 21 days
- If the markers are identified as a hazard in any way, they will be removed immediately
- City staff will make an effort to contact the party involved to return the marker
