Re: Agreement for Professional Services

Dear Brenda:

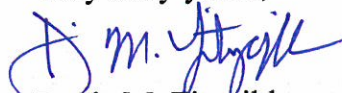

Our office currently enjoys the opportunity to represent the City of Maricopa and would be pleased to continue our representation and association with the City of Maricopa. As the City requested, during the 2013-2014 fiscal year, we will have an attorney located in City Hall full time. This attorney will be available to assist with civil matters during the week. Rather than bill for these services at an hourly rate, the City will be separately invoiced by our firm a flat fee of \$10,500 per month for this attorney's services.

For all other work, which will include, but not be limited to, the City Council meetings, Planning and Zoning Commission meetings, and City Court prosecutions, Fitzgibbons Law Offices, P.L.C., offers to renew our existing agreement for professional legal services with the City of Maricopa at the same rates we have had since becoming the City Attorney ten (10) years ago: All civil matters will be billed at the current rate of \$155.00 per hour, and all criminal matters will be billed at the current rate of \$135.00 per hour. As we have done in the past, we will submit monthly bills to the City of Maricopa, which will include any costs incurred on behalf of the City of Maricopa. The term of this renewal would be from July 1, 2013 through June 30, 2014.

Please contact us at any time if you have any questions or concerns.

Thank you very much.

Very truly yours,

Denis M. Fitzgibbons
