# 2025 – Thriving for Better

---

## **Maricopa Municipal Court: A Court That Adapts. A Community That Trusts.**

Provides services for misdemeanors, civil traffic citations, protective orders, DUI cases, and city ordinance violations.

Focused on a people-first approach, ensuring every visitor is treated as a valued member of society.

**A people-first court committed to ensuring every visitor is treated as a valued member of our community.**

# 2025 Recap

- **Systemwide factors**—such as changes in driver behavior, prosecutorial decisions, and internal court processes—also contribute to the shift in filing volumes.
- **The increase in protective-order filings** shows that more community members are turning to the court for safety and intervention.
- **Overall, the trends highlight a more strategic focus on the areas where judicial intervention is most needed.**
