

Special Event
Sign Permit Policy
SR-347 Grade
Separation Project

Purpose

- To improve driver guidance and ease the impact of construction on new and existing businesses.
- To provide additional signage opportunities from the temporary sign regulations, Zoning Code section 409.12.
- Provide flexibility and a process for staff to work with businesses to provide alternative signage options.

Applicability

- Any business, non-profit organization that has a commercial zoned property.
- That are within 300 feet of a road affected by ADOT.
- Have an active business license with the City of Maricopa.
