Cooperative Agreement**

We, the undersigned, acknowledge we will coordinate and cooperate in the School Safety Program if funds are awarded. By signing this agreement, we also give our assurance that we have reviewed the FY27 SSP Manual for SRO, SSO and JPO Schools which includes but is not limited to the following items:

- We recognize that individuals listed as the District/Charter Administrator, Principal, School Resource Officer (SRO), Juvenile Probation Officer (JPO) or Agency Supervisor have an annual School Safety Program training requirement and we will support such personnel in meeting this requirement.
- We agree with the budget submitted
- We will uphold the intent of the grant, which includes but is not limited to:
 - LRE hours taught will be determined by school administration, the SRO, and the agency supervisor to meet the needs of their campus
 - Ensure full-time officer presence on campus during school hours consistent with grant requirements
 - Maintain weekly activity logs completed by the officer and submitted and monitored by the school administrator and agency supervisor
 - Facilitate access to appropriate educational records and data to officers in accordance with FERPA
 - Utilize a multidisciplinary School Safety Program Team that meets at least quarterly to monitor and revise the Site(s) Continuous Improvement Plan
- We will share the program design and operational plan with the assigned officer
- We will enter into a Service Agreement (or IGA)
- We understand each party's responsibility under the program
