**The Purpose of the Citizen Participation Plan** is to ensure that applicants pursue that early and effective citizen participation in conjunction with their land use applications, giving residents and property owners the opportunity to understand and try to mitigate any real or perceived impacts the proposed land use application may have on the community; ensure that the citizens and property owners of the City of Maricopa have an adequate opportunity to learn about applications that may affect them and to work with applicants to resolve concerns at an early stage of the process; and facilitate staff, and elected officials throughout the application review process.

This is a two-step process:

- The creation of the Citizen Participation Plan (CPP), by the applicant
- The further preparation of the Citizen Participation Report (CPR), by the applicant

Utilize this guide to follow the LEGAL requirements of Public Participation in the Planning Process.

Your **CPP** will include the following:

- ☐ Narrative of the proposed plan for notification
- ☐ Draft notification letters to be reviewed and approved by staff
  - The case Planner will assist with revisions until properly formatted
- ☐ 600-foot radius map of properties to be contacted
- ☐ List of property owners to be contacted the list should include, parcel #, name of owner, and tax billing address.
  - Additional notifications may be required (your case planner may provide a list of additional registered contacts for the mailing)
- ☐ Proposed newspaper notice
- ☐ Reduced copy of sign posting (actual size will be 24in x 36 in)
- ☐ Aerial of the existing site noting the locations for the sign postings
  - Allow the case Planner to finalize and approve locations before installation
- ☐ Submit your CP Plan digitally.

Be sure that your CPR Plan is approved by your project planner prior to its implementation. Please contact your project planner if you need further guidance.
