

## **Mayor Christian Price**

**Whereas**, for the month of October 2016, the Maricopa Chamber of Commerce will recognize and support the efforts of our local non-profit organizations as a focus of the Chamber's events; and

**Whereas**, we believe that Buying Local strengthens local economies, Giving Local strengthens communities; and

**Whereas**, the Chamber for Good is about "Donate Local" especially for those small organizations that are fueled by the zeal and dedication of a few individuals who see a local need and do their best to fill it; and

**Whereas**, the key to Chamber for Good is that it leverages the strength and character of our Maricopa Chamber of Commerce to serve as the conduit connecting local donors to local charities serving local needs; and

**Whereas**, Maricopa Chamber of Commerce encourages all our citizens, non-profit organizations and businesses to take an active role in engaging in activities that promote and support our local charities and causes.

**NOW, THEREFORE**, I, Christian Price, Mayor of the City of Maricopa, do hereby proclaim October 2016, as **CHAMBER FOR GOOD MONTH** in the City of Maricopa and urge my fellow citizens to recognize the crucial role our local non-profit organizations have in our community and our role to support them.
