~~otherwise meeting the property line of an alley, right-of-way, or common open space. Said
coops shall be subject to all applicable requirements for accessory buildings, including rear
and side yard setbacks, or a minimum setback of 10 feet, whichever is greater.~~

3. Fowl shall be kept in an enclosure located in the rear or side yard of the property at least twenty feet from a neighboring property and restrict the size of the enclosure to a maximum of two hundred square feet with a maximum height of eight feet.
4. The enclosure shall be maintained, and manure picked up and disposed of or composted at least twice a week.
5. Enclosures located in a residential community on a lot less than one acre in size shall be shorter than the fence line of the property.
6. The composted manure shall be kept in a way that prevents the migration of insects.
7. A water source with adequate overflow drainage is required for enclosures.
8. Feed shall be stored in insect-proof and rodent-proof containers.
9. Fowl shall be prohibited from running at large.
10. These standards do not apply to an enclosure that was constructed on or before the effective date of this ordinance.
11. For the purposes of this ordinance, "fowl" means a hen of the domestic chicken.

E. *Horses.* The keeping of horses is allowed on lots that are at least one acre in size. Up to three horses are allowed on one acre; an additional horse is permitted for each 3,000 square feet of lot area above one acre.

F. *Household Pets.* In all zoning districts except rural districts, a maximum of four dogs is allowed. These limitations do not apply to small animals kept within a residence, including cats, fish, small birds, rodents, and reptiles. Dogs confined in kennels shall not be kept closer than 20 feet from the nearest residential structure on an adjacent lot.
