Subject: Approval Notice for Floodplain Use Permit Reference Number FUP1407-016

Dear Permit Applicant:

The Pinal County Flood Control District has completed the substantive review of your floodplain use permit application. Your floodplain use permit has been approved and was signed by the floodplain administrator. The original copy of the signed floodplain use permit and associated engineering plans and reports will be kept on file with the Pinal County Flood Control District. Pending approval from other regulating agencies (if applicable), you are authorized to construct within the floodplain per your approved plans.

If you have any questions or concerns, please feel free to contact me at (520) 866-6010.

Respectfully,

Christopher Wanamaker PE, CFM, CPM
Flood Control Section
Department of Public Works
