PROJECT NARRATIVE

Norris Design, on behalf of Cowley Companies, is proud to present the Kelly Ranch Planned Area Development, a future residential community for the southeast corner of Maricopa-Casa Grande Highway and Porter Road in Maricopa, Arizona. The Kelly Family is working alongside Cowley Companies to revitalize their current homestead, stables and ranch through the development of a residential community that embraces and celebrates the history of the approximately 100-acre property.

A rezoning is currently being requested to change the zoning designations of the subject property from GR (General Rural) and CI-2 (Industrial) to PAD (Planned Area Development). The purpose of this request is to facilitate the evolution of the property from ranch to a future planned residential development in a manner that is compatible with the previously approved Major General Plan Amendment, while increasing housing opportunities within the City of Maricopa through the design and development of a cohesively planned community that exemplifies respect for community heritage and provides a family-oriented, connected and safe neighborhood.

PLAN IMPLEMENTATION

Following approval of the Citizen Participation Plan and notice to proceed by Staff, final copies of all required notification documents and postings will be provided to the assigned project planner for approval, and implementation of the plan will commence.

The first anticipated step is to hold a neighborhood meeting (format to be determined by the assigned project planner) to encourage early citizen feedback regarding the application. The meeting will be held a minimum of 15 days and no more than 90 days before the first scheduled public hearing on the application and at a location near the project site. Notice of the neighborhood meeting will be provided a minimum of 15 calendar days prior to the neighborhood meeting, with notification being provided in the following manner:

- Mailed notice to all property owners and occupants within a 600-foot radius of the project site
- Sign posting on project site

In the mailed notice and at the neighborhood meeting, citizens will be encouraged to contact Norris Design (applicant) via phone (602-254-9600) or email (jmeyers@norris-design.com) to continue to discuss concerns or questions regarding the proposal during the application process. Norris Design will also encourage neighborhood meeting attendees (as well as those who express interest) to share their contact information so that they may be notified of any substantial changes to the proposed project prior to the public hearing dates. It is anticipated that one neighborhood meeting will be held; however, if additional neighborhood meetings are warranted due to public concerns, the applicant will notify and host a second neighborhood meeting.

Throughout the citizen participation process, the applicant will communicate directly via email or phone with the assigned project planner to keep them informed of the status of citizen participation efforts. A minimum of 10 calendar days prior to the first public hearing on the application, a Citizen Participation Report will be submitted to the assigned project planner for review and inclusion in the public hearing report. The Citizen Participation Report will document the results of the outreach efforts and include the following items:

- Neighborhood Meeting Information – date and location of meeting, date and contents of notification mailing, list of notified property owners, copy of the sign-in sheet, meeting notes, etc.
- Photograph of sign posting
- Confirmation of the legal advertisement posting for the hearings
- Newspaper clipping of the legal advertisement for the hearings

- Summary of citizen concerns, issues and problems and how they were addressed by the applicant (if applicable)

Following the neighborhood meeting and after all necessary application revisions, the application will be scheduled for public hearings dates before Planning & Zoning Commission and City Council, in accordance with the rezoning application process and timeline.

NOTIFICATION & MEETING DOCUMENTS

The following section and corresponding subsections detail all documentation pertaining to required legal notification and citizen outreach efforts.

Neighborhood Meeting Notification Letter & Sign Posting

The following pages include all documents pertaining to the first notification (letter and sign posting) including:

According to the Pinal County Assessors records, you are a property owner within 600 feet of the property under consideration. In order to better inform you of the public meeting(s) scheduled for this matter, this notice is being sent to you via first class mail. If you wish to provide input on this matter, you may attend each meeting or submit written comment before or at the meeting. If you have any questions concerning this matter, please contact Alexander Bosworth at the City of Maricopa Planning Department at 520-316-6948. You can also email him at Alexander.Bosworth@maricopa-az.gov, subject Case # PAD22-19 Kelly Ranch.

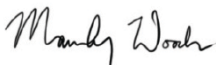

Please see below for project narrative. A conceptual development plan is also enclosed with this letter.

Project Narrative:

Norris Design, on behalf of Cowley Companies, is proud to present the Kelly Ranch Planned Area Development, a future residential community for the southeast corner of Maricopa-Casa Grande Highway and Porter Road in Maricopa, Arizona. The Kelly Family is working alongside Cowley Companies to revitalize their current homestead, stables and ranch through the development of a residential community that embraces and celebrates the history of the approximately 100-acre property.

This request seeks to modify the current zoning designations of the property from GR (General Rural) and CI-2 (Industrial) to PAD (Planned Area Development). The rezoning of the property follows the 2021 approval of a Major General Plan Amendment (GPA21-02) for the property which modified the land use designation from C – Commercial, OS – Open Space and E – Employment to MDR – Medium Density Residential. The purpose of this rezoning request is to facilitate the evolution of the property from ranch to a future planned residential development in a manner that is compatible with the previously approved Major General Plan Amendment, while increasing housing opportunities within the City of Maricopa through the design and development of a cohesively planned community that exemplifies respect for community heritage and provides a family-oriented, connected and safe neighborhood. A conceptual development plan (see attached) is included within the Kelly Ranch PAD, which indicates land uses with density ranges, potential access points and community amenity locations for conceptual purposes to indicate how the site might develop in accordance with the provisions of the PAD.

Meeting Attendance

The applicants were represented by Jennifer Meyers and Mandy Woods with Norris Design. Monson Cowley (Cowley Companies, developer) and Alex Bosworth (City of Maricopa project planner) also attended. No members of the public attended. See accompanying sign-in sheet for attendee contact information. Comment cards were prepared in advance of the meeting, but none were filled out and returned.

Meeting Summary

The meeting was held in person at the location noted above. Six 24x36 exhibit boards, based on graphics included in the PAD submittal, were prepared in advance of the meeting to aid in describing the request to attendees – a vicinity map, general plan land use map, existing and proposed zoning map, design strategy imagery, conceptual development plan and conceptual site plan. The applicant team arrived at 5:45 p.m. to set up for the meeting. After project discussion with Alex, the applicant team began cleaning up and left the premises around 6:30 p.m. due to no attendance from the public.

No additional outreach from the public has been received as of the date of this report.
