County of Maricopa Contract #14007-JOC

In accordance with City of Maricopa, Purchasing Code, Article IV, Section 3-223, Cooperative Purchasing, it is recommended that the County of Maricopa Contract #14007-JOC be utilized to provide preconstruction and construction services for the California Zephyr Relocation Project for the Public Works department.

The City of Maricopa's Public Works Department has reviewed the specifications and worked with the Purchasing Staff to research a cooperative contract for the purchase. It was determined that utilizing the cooperative contract provided by the County of Maricopa was the best option. This contract was competitively solicited and was multiple awarded on June 25, 2014. Caliente Construction, Inc. holds a contract for this service on the County of Maricopa Contract. This contract was renewed to Franklin Striping Inc. effective February 01, 2015 and runs through June 30, 2018.

Based upon the specification review done by the City of Maricopa Staff, and utilizing the favorable pricing obtained by using the County of Maricopa contract, it is recommended that the contract and purchase order issuance be awarded to Caliente Construction, Inc.
