Consider a ½ cent local sales tax proposal for long term infrastructure needs.

Action 1.3

To expedite the funding of improvements to local transportation infrastructure in a fiscally conservative manner without raising property taxes, we will seek all means possible to improve roadways sooner.

Quality of Life

Maricopa is defined by the quality of life that the community enjoys. In our city people enjoy the outdoors, and they are enriched by the cultures around them.

Focus 5

Becoming a Destination City

Since incorporation in 2003, the emergence of Maricopa has created a city built for the 21st Century. Just as Maricopa is the contemporary ideal of a place to live, it will be the ideal of a place to be, drawing in visitors from afar as a destination city.

Action 5.1

To attract visitors from across the region and the nation, we will employ a sports and event tourism strategy that encompasses broad appeal. We will utilize bed tax funds to minimize the impact on local taxpayers while inviting visitors who can boost local businesses and enhance Maricopa's regional profile. By attracting tourists who spend their dollars in our community, we aim to create an influx of revenue that supports both local commerce and the growth of our city.
