

PURCHASING SUMMARY

City of Maricopa
 Purchasing Office

Project: RSOQ 12DSD111711 Design Build Regional Park and Sports Complex

In accordance with City of Maricopa, Purchasing Code, Article IV, Sec 3-215, a solicitation detailing the requirements for the Design Build for the Regional Park and Sports Complex Request for Statements of Qualifications was created.

Adequate public notice was given by placing the Request for Statements of Qualifications (“RSOQ”) on the City’s web site, www.maricopa-az.gov, on or about December 13, 2011. It was also advertised in a local paper on December 29, 2011, and January 8, 2012.

The RSOQ closed on January 18, 2012 and the submitted proposals were publicly opened at the Interim City Hall. The names of the offerors were read aloud at the opening. Since this was a qualifications based solicitation, no prices were given or recorded. Twelve (12) proposals were received on or before the 2:00 pm MST closing time.

Purchasing conducted an initial review of all the proposals for responsiveness to the requirements in the RSOQ and one (1) was deemed to be non-responsive. The remaining eleven (11) proposals were passed on to the Evaluation Committee.

After scoring all the submittals the Evaluation Committee met on February 6, 2012, to discuss the initial scores. Based on the scores, it was recommended that the top four (4) firms be invited in for an interview and presentation. On February 29, 2012, these meetings were conducted and the Evaluation Committee came to a consensus based on the following ranking.

Vendor	Score	Rank
Haydon Building Corp.	92.50	1
Okland Construction	92.17	2
Valley Rain Construction Corp.	83.17	3
Hunter Contracting Company	72.5	4

It is therefore recommended that a contract for the Design Build for the Regional Park and Sports Complex be awarded to the HAYDON BUILDING CORPORATION.

Respectfully submitted:

 Patricia A. LaCombe,
 Purchasing Manager
