County and City may also be referred to herein after as "Party" individually and "Parties" collectively.

**RECITALS**

WHEREAS, A.R.S. §§ 11-951, *et seq.* authorizes public agencies to enter into intergovernmental agreements for the provisions of services or for cooperative action; and

WHEREAS, the Parties desire to establish a multi-agency special weapons and tactics team to provide an appropriate law enforcement response by a team of officers having specialized operational tactics training, skill, abilities and resources required in extraordinary situations, as determined by the Sheriff and/or Chief of Police of the Department.

**AGREEMENT**

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained in this IGA and other good and valuable consideration, the adequacy of which is hereby acknowledged, the Parties agree as follows:

**I. Definitions.**

1. Department means a police department in a city or town incorporated in Pinal County or a Native American community or reservation in Pinal County, Arizona.
2. Officer means a Deputy Sheriff or Police Officer certified by the Arizona Peace Officers Standards and Training Board (POST).
3. SWAT Team means the Pinal County multi-agency special weapons and tactics team.
4. Commander means the person designated by the Sheriff to command the SWAT Team during SWAT Team training or SWAT Team operations.
5. Medic means a paramedic holding a current State paramedic certification in Arizona.
6. Users Group means the group that includes the Pinal County Sheriff and the chief of police of each department then participating in this IGA, or that department head's designee.

**II. Purpose.** The purpose of this IGA is to provide an appropriate law enforcement response by a team of officers having specialized operational tactics training, skills, abilities and resources required in extraordinary situations (SWAT Team), as determined by the Sheriff and/or Chief of Police of the Department.

**III. Duration and Termination.** This IGA shall be in duration for a period of five years from the date of signature by the Parties. Unless terminated prior, this IGA shall be automatically renewed for one additional five-year period unless otherwise terminated in writing. Either Party to the agreement may terminate its participation in the agreement by giving the other Party 30-days' written notice of its intent to terminate participation. However, periodic or temporary withdrawal of an Officer, Paramedic or employee from participation shall not constitute termination.

**IV. Control and Supervision.** The Users Group shall meet as needed to review training, equipment, operational, financial, supervision and other matters affecting the control and supervision of the SWAT Team and may recommend agreed upon changes to any training, equipment, operational, financial or supervisory aspects of the SWAT Team's function or operations.

By written appointment, the Sheriff, or the Sheriffs designee, shall appoint the SWAT Commander from among Arizona POST Certified PCSO employees. Upon advice of the SWAT Commander, the Sheriff may in his sole discretion decline, refuse or revoke the participation of an individual officer's membership in the SWAT Team.

The SWAT commander shall direct and supervise all team member selection, training and operational activities during actual SWAT team activities or operations as provided in the PCSO SWAT Standard Operating Manual.

- V. Finances.** Each Party agrees to pay the salary, employee related expenses, overtime, equipment, transportation and other expenses required for its employee's participation on the SWAT Team. Grant funding and Anti-Racketeering (RICO) funds, when available, may be used to finance the SWAT Team training and operational activities and/or specialized equipment acquisition, as permitted by the terms of the grant or RICO distribution to the SWAT Team.
- VI. Equipment.** Each Party will assure that its participating SWAT Team Officers, Paramedics, or employees, are supplied with or issued the equipment specified in the PCSO SWAT Standard Operating Manual.

The Parties agree to avoid using the other Party's materials and/or equipment for purposes not directly associated with the purpose and intent of this IGA without the prior express written consent from the Party to whom the equipment and/or materials belong. However, this provision shall not be construed to prohibit any use of materials or equipment of another Party that is merely nominal and incidental, or on an emergency basis.

- VII. Investigations.** If any investigation is necessary, communication and cooperation among PCSO and all involved participating agencies is paramount, and the decision-making process should promote the best interests of all departments involved. PCSO, through the SWAT Commander, will work closely with each agency that has involved SWAT personnel in the handling of any incident requiring investigation. If a criminal investigation or administrative investigation involving the actions of a Pinal Regional SWAT team member is appropriate and necessary, the Pinal County Sheriff, in consultation with the Users Group, will take charge of any criminal investigation. The Sheriff shall determine which department, including the officer's employing department, shall be responsible for the administrative investigation. The Pinal County Sheriff, in consultation with the Users Group, may refer either type investigation to an outside agency or department if the matter involves personnel from more than one department, certain expertise is needed, or the scope exceeds the capability of the participating departments.

- VIII. Responsibility for Damages.** Each Party shall be responsible and liable for any liabilities caused by the acts or omissions of such Party's officers, paramedics or other employees during that Party's participation in the SWAT Team and/or during the course of rendering mutual SWAT Team law enforcement assistance, medical assistance, and otherwise, as provided by law.

If a Claim or Claims by third parties becomes subject to this Section, the governmental parties to this IGA that are the subject of the Claim or Claims shall expeditiously meet to agree upon a common and mutual defense pursuant to **Subsection (B)** below, including proportionate liability and proportionate payment of litigation fees, expenses and damages.
