Porter Road and Iron Point Road just south of the Maricopa-Casa Grande Highway in the City of Maricopa. Discussion and Action.</p> <p>Senior Planner, Byron Easton presented. The developer presented as well. Speaker Card 1: Nate W. of 16721 N Luna Dr. Maricopa. Expressed concerns regarding safety, the train and access to emergency services Believes emergency calls will increase once all the residents move in.</p> <p>Discussion ensued regarding EV charging capabilities in the garages, and access points. Concern regarding traffic during the construction. Byron stated the traffic study was conducted and is included with the packet. Commissioner Irving &amp; Robertson expressed concern with the narrative section where the developer stated the code is “too arduous and difficult to meet” wanted to know what was too hard to meet as they are asking for a 30% reduction on patio sizes.</p> <p>Staff explained the applicant provided more open space to offset the requirement. The applicant explained that the city code varies greatly from other jurisdictions and after working with City, the City is also working on updating the code to be inline with other jurisdictions as the MFR standards are fairly new. Commissioners questioned the setbacks from the gates and if emergency vehicles have quick access to get into the gates. The applicant stated the City requires them to provide strobe intercept transponders at both points of access for emergency vehicles. The construction will not be started for at least one year or longer.</p> <p>Commissioner Irving wanted the city to recommended the concession of the 30% less on the patio sizes. City staff does support and recommend approval of DRP22-09 and all exhibits.</p> <p>A motion was made by Commissioner Yocum, seconded by Commissioner</p>
