RE: <u>DRP23-04 City Municipal Court Building – Informational Report to the</u>

Planning and Zoning Commission

The proposed Major Development Review Permit request DRP23-04, City Municipal Court Building has been submitted for review by the Planning and Zoning Commission. The proposal consists of the following:

- 1. The proposed development will be a phased development consisting of two (2) phases. The initial phase of development is being presented at this time and is further illustrated in the attached exhibits.
- 2. The initial phase of development will consist of the construction of the following elements:
 - a. Municipal Court House.
 - Exterior materials to include exposed concrete, color masonry, glass storefront, metal wall panels, and EIFS.
 - 1600sf of courtroom space
 - Additional spaces include offices, restrooms, circulation and public lobby.
 - Structural systems to include CMU walls and steel frames.
 - b. Landscape design to be consistent with the existing City Hall
 - c. Parking lot and circulation
- 3. Scheduling.
 - Very aggressive schedule for completion.
