

(B) Operate a still, motion picture, video or other camera for commercial purposes in a park without prior authorization from the City of Maricopa and demonstration that applicant has rights to redistribute motion pictures, videos or photographs for public enjoyment and consumption; and

(C) Expose, distribute or place any sign, advertisement, notice, poster or display in a park without authorization from the City of Maricopa Parks, Recreation and Libraries Department.

Section 18-4-2 Pets

It shall be unlawful for any person to:

(A) Bring any dog, cat, ferret or other pet into a park, unless caged or kept on a leash not more than six (6) feet in length. Pets under assumed voice control do not qualify as being under control and will be found to be in violation of this rule.

(B) Allow any dog, cat, ferret or other pet to enter a beach area, nature center area, refuge area, picnic area, park building or other “no pet” designated area within a park;

(C) Permit a pet under his or her control to disturb, harass or interfere with any park visitor, park visitor’s property or park employee;

(D) Tether or tie any animal to a tree, plant, building or park equipment; and/or

(E) Have custody or control of any dog, ferret or domestic pet in a designated area of a park without possessing an appropriate device for cleaning up pet feces and disposing of it in a sanitary manner.

Section 18-4-3 Noise; Amplification of Sound

(A) It shall be unlawful for any person, without the prior written authorization of the Parks Director or his designee, to:

(1) Install, use or operate within the park a loudspeaker or sound amplifying equipment in a fixed or movable position or mounted upon any sound truck for purposes including, but not limited to, giving instructions, political digressions, directions, talks, addresses, lectures or transmitting music to any persons or assemblages of persons in or upon any place within a park;

(2) Use or operate or permit the use or operation of any radio, tape player, phonograph, television set, music amplifier or other machine or device for the production or
