14 Sec. 2. Legislative findings

15 A. Boycotts and related tactics have become a tool of economic warfare
16 that threaten the sovereignty and security of key allies and trade partners
17 of the United States.

18 B. The state of Israel is the most prominent target of such boycott
19 activity, beginning with the Arab League Boycott adopted in 1945, even before
20 Israel's declaration of independence as the reestablished national state of
21 the Jewish people.

22 C. Companies that refuse to deal with United States trade partners
23 such as Israel, or entities that do business with or in such countries, make
24 discriminatory decisions on the basis of national origin that impair those
25 companies' commercial soundness.

26 D. It is the public policy of the United States, as enshrined in
27 several federal acts, including 50 United States Code section 4607, to oppose
28 such boycotts, and Congress has concluded as a matter of national trade
29 policy that cooperation with Israel materially benefits United States
30 companies and improves American competitiveness.

31 E. Israel in particular is known for its dynamic and innovative
32 approach in many business sectors, and a company's decision to discriminate
33 against Israel, Israeli entities or entities that do business with Israel or
34 in Israel is an unsound business practice making the company an unduly risky
35 contracting partner or vehicle for investment.

36 F. This state seeks to implement Congress's announced policy of
37 "examining a company's promotion or compliance with unsanctioned boycotts,
38 divestment from, or sanctions against Israel as part of its consideration in
39 awarding grants and contracts and supports the divestment of State assets
40 from companies that support or promote actions to boycott, divest from, or
41 sanction Israel."

APPROVED BY THE GOVERNOR MARCH 17, 2016.
