Subject: Request for Sponsorship for Fiscal Agent

The City of Maricopa Grant Policy States:

- This email serves as the official request for Sponsorship of Maricopa CAASA application for the City of Maricopa to act as the Fiscal Agent
- For the Gila River Communities Grant Application 2018 Cycle. We will be requesting funds to assist us with placing two part time mentors in Butterflied School, and two part time female mentors at Santa Rosa Elementary and Maricopa Elementary. This will help residents of Maricopa with Quality of Life. The direct one on one mentorship services provided to students in Maricopa will help with lowering behavioral incidents, and improving grades in local schools which is a direct benefit to Maricopa residents.
- I thank you in advance for your consideration. Please advise on any further information I should provide.

Priscilla Behnke

Maricopa CAASA Director
