Subject: City of Maricopa Application for Transportation Alternatives (TA) and Congestion Mitigation and Air Quality (CMAQ) Program

To Whom It May Concern:

I am writing to provide this letter of support for City of Maricopa's application under the Transportation Alternatives (TA) and Congestion Mitigation and Air Quality (CMAQ) Programs. It is my understanding that the TA and CMAQ funding will be utilized to construct a sidewalk along east side of the John Wayne Parkway (SR 347) south of Smith Enke Road (SR 238).

ADOT supports development of the Southeast Pathway and plans to be actively involved in the design review and approval process as well as with utility coordination. We look forward to working with the City of Maricopa to implement this project and enhancing regional connectivity.

Please feel free to contact me at (602) 712-8965 or ramavisca@azdot.gov if I may be of further assistance.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Raul', followed by a long horizontal line.

Raul G. Amavisca, PE
District Maintenance Engineer
