

**CITY OF MARICOPA**

**AMENDMENT #3**

DATE: December 19, 2018

**RSOQ#19CSL11132018**

Please refer to the following change on page #4, C

Understanding of the project and approach to performing the required services. (40 points)

Discuss the major issues your team has identified on this project and how your firm/team intends to address those issues. Identify any technical innovations that may be incorporated and/or innovative approaches that will be used in executing the work. Also, discuss the particular expertise your firm/team offers and how you propose to use that expertise to benefit the City to add value to the project. ~~Contractor must submit CMAR listing with this proposal.~~
