New Library Rezone Project Narrative:

The city of Maricopa is looking to rezone part of lot 50203012H which is part of city hall's city center future development area. Lot 50203012H is currently zoned TR - Transitional zone; the area of the lot being rezoned is currently undeveloped and does not have any permanent structure on it. The existing zoning for this lot is based on the previous zoning code that was adopted from the pinal county zoning code when the City of Maricopa was first incorporated. Since incorporation the city of Maricopa has adopted a new zoning code and the rezone will help reflect this. Please refer to figure 1 for a general location of the parcel.
