Interests & Experiences

Briefly tell us about your experience and education:

My wife Micaela and I move to Maricopa from El Centro California back in December 2018. I have been retired for three years and my wife has been retired for one year. I retired after 35 years in the Electrical Utility Sector where my background include; Electric System Operations, Normal and Emergency Planning, Operations Personnel Training and Evaluations, Section and Unit Budgets, Project Management, Company and Federal Compliance Audits. In addition to my employment experience and my experience with the City of El Centro I also serve on the Imperial Irrigation District Retiree Association in the position of Board Secretary.

Briefly tell us why you want to serve on this board/committee/commission:

When we decided to move from California, we wanted to move to a community that provided affordable housing, safe place to live and opportunities where we could become involved in the community. We actually came out to Maricopa on Vacation and purchased a home. Since arriving in December 2018, I started attending the City Council Meetings and passed the Leadership Academy and the Maricopa Advocate Programs. In addition, I served on the City of El Centro Planning Commission. I took an active role as a member on the commission until we moved to Maricopa. I believe that with my combined employment experience and my experience in the Planning Commission, I possess the skill set to effectively participate on the City of Maricopa Board of Adjustment.

When are you available for meetings?

Since I am retired, My schedule is conveniently open except for my Quarterly Meetings in January, March and June for the Imperial Irrigation District Retiree Association Board.
