**EXISTING CODE:****J. *Yard, Carport, or Garage Sale Signs.***

1. Yard, carport, or garage sale signs shall be limited to residential zoning districts and shall not exceed four square feet per residence. Such signs shall not be up longer than three consecutive days.
  2. Yard, carport, or garage sales shall be limited to no more than four sales events per calendar year.
  3. One temporary, unlighted, two-sided sign shall be allowed to be placed at the residence of the sale.
  4. Up to four directional signs may be placed for announcing the holding of a yard, carport, or garage sale and shall be allowed to be posted in a residential district.
  5. Signs cannot be placed on public sidewalks or within the sight visibility triangle. Signs may be placed a minimum of seven feet from the back of the curb, or seven feet from the edge of the pavement where no curb exists.
  6. Yard, carport, or garage sale signs shall not be placed on walls, utility poles and housings, traffic control poles or control panels, and mailboxes.
  7. The property owner of the yard, carport, or garage sale event shall be responsible for noting the name and address on the back of each sign.
