Proposal Number: P21140

Brad Pitassi,

Arizona Flow Testing LLC, an Arizona limited liability company, is pleased to submit this proposal to provide flow testing services for the project referenced above. Following is the list of services we propose to provide under the terms and conditions of the contract:

### **Flow Testing Scope of Services:**

Conduct 68 flow tests required by Maricopa Fire Dept. to evaluate the Maricopa Consolidated DWID hydrant system.

Conduct the actual Flow Test with approved equipment that is fully calibrated.

Provide a timely Hydrant Flow Test report to you in an electronic format.

Data shall include Static and Residual Pressure readings as well as Flowing (GPM) Gallons on a spreadsheet format.

Conduct a visual/physical evaluation of each fire hydrants condition.

The fee for conducting a simple flow test in the City of Maricopa, Arizona is **\$200.00 (Two Hundred Dollars) each.**

Plus any additional fees for required permits and/or additional time expenses by Maricopa Consolidated DWID.

Total fee for conducting 68 simple flow tests in the City of Maricopa is **\$13,600 (Thirteen Thousand, Six Hundred Dollars).**

The work shall be completed within 30 days from the NTP.

Fee quotations are valid for 60 days from the date of this proposal.

Payment terms shall be 30 days from the date of invoice.

Please sign and date on the line provided on page 2 of this proposal if these terms are acceptable. Only authorized agents of the parties may accept this proposal and all of the associated terms.

We sincerely appreciate the opportunity to work on this project. We look forward to your acceptance of these terms and our opportunity to work with you and to add value to this project.

Sincerely,

*Floyd L. Vaughan*
