The Mayor and City Council shall discuss and possibly take action on ratifying a First Amendment to Contractor Agreement with Interim Public Management for "Professional Consulting Services for Executive Positions" on an as needed basis. Discussion and Action.

On February 21, 2017, the City and Interim Public Management (IPM) entered into an agreement for IPM to provide various professional executive level consultants on an as needed basis. Pursuant to Section 3 of that Agreement, the term was for one year but the City, in its sole and absolute discretion, may extend the term for four (4) additional one (1) year terms. The City would like to extend the Agreement for another year, from February 21, 2018 through February 20, 2019, to allow the current consultants to continue with the City and to allow the City to use IPM for future consulting services on an as needed basis.

Staff recommends approval of the First Amendment to Contractor Agreement with Interim Public Management.
