An Ordinance of the Mayor and City Council of the City of Maricopa, Arizona, levying separate amounts to be raised for primary and secondary property tax levies upon each one hundred dollars (\$100.00) of the assessed valuation of property subject to taxation within the City of Maricopa for the fiscal year ending June 30, 2020. Discussion and Action.

In accordance with Arizona Revised Statutes (A.R.S.) Title 42, Section 17104, the City of Maricopa held a public hearing on June 4, 2019 on the City's primary property tax levy. This section of A.R.S. states that the levy cannot be adopted sooner than fourteen days of this June 4, 2019 public hearing.

Primary Tax Levy

The primary property tax levy was approved by voters in November 2006 for purpose of funding operations of the City Fire and Police Departments and any other public safety functions. The proposed primary property tax levy for fiscal year 2019-2020 (FY19-20) is \$13,730,060 at a rate of \$4.7845 for each \$100 of assessed valuation. Although this levy represents an increase of \$1,185,086 over the FY18-19 primary tax levy of \$12,544,974, the increase is due in part to new construction as well as maintaining the tax rate assessed per one hundred dollars (\$100.00) of the assessed value of property subject to taxation at 4.7845; therefore, the primary tax levy, excluding amounts attributable to new construction, exceeds the FY18-19 levy. As such, the City is subject to truth-in-taxation requirements per A.R.S.

Secondary Tax Levy

In November 2008, voters authorized the City of Maricopa to incur \$65.5 million in General Obligation (GO) debt for library, parks and recreation facilities. Currently, a total of \$51.6 million in GO bonds have been issued for the completion of the Copper Sky Recreational Complex. Bond principal and interest is repaid through secondary property taxes levied on all taxable property within the City. The proposed secondary property tax levy for FY19-20 is \$3,406,624 at a rate of \$1.1871 for each \$100 of assessed valuation.

This item will be presented by Angele Ozoemelum, Financial Services Manager.
