On 9/20/2011, action was taken to provide the Maricopa Rotary Club a matching funds allocation of \$10,000 for park beautification.

In March 2012, during a call to the public, JoAnn Ortega, President of the Maricopa Rotary Club approached the Mayor and City Council and advised them the Rotary had raised the matching funds of \$10,000 for the beautification project. Verification of the matching amount was provided to the Grants Manager.

Staff recommends approving a Public Service Award and Agreement for a one year period with the Maricopa Rotary Club in the amount of \$10,000 for the Rotary Park Beautification Project to be paid from the General Fund, Parks Maintenance, Repair and Maintenance. (10033132-54430)
