The Mayor and City Council shall discuss and possibly take action on approving a contract amendment with DWA Construction Company, LLC for various concrete repairs throughout the City, increasing the current contract's limit to an amount not to exceed \$235,524. Funding for this amendment, in a total amount not to exceed \$117,762, will be drawn from Highway Users Revenue Fund, Public Works, Repairs and Maintenance (20055151-55430). Discussion and Action.

As part of the City's annual maintenance program, Public Works' street maintenance division identifies broken or heaved concrete that must be repaired. Broken sidewalks may cause problems with ADA compliance and also may be tripping hazards. Additionally, concrete repairs may be needed to supplement asphalt repairs when roads and the adjoining curbs and gutters settle. This contract will allow Public Works to address necessary concrete repairs.

This item will be presented by Public Works Director/City Engineer William P. Fay.

Staff recommends that the Mayor and City Council approve the contract amendment with DWA Construction Company, LLC, for various concrete repairs throughout the City, increasing the current contract's limit to an amount not to exceed \$235,524. Funding for this amendment, in a total amount not to exceed \$117,762, will be drawn from Highway Users Revenue Fund, Public Works, Repairs and Maintenance (20055151-55430).
